

Holocaust Revisionism

by Mark R. Elsis

This article is dedicated to everyone before me who has been ostracized, vilified, reticulated, set up, threatened, lost their jobs, bankrupted, beaten up, fire bombed, imprisoned and killed for standing up and telling the truth on this historical subject.

This is also dedicated to a true humanitarian for the people of Palestine who was savagely beaten and hung by the cowardly agents of the Mossad.

Vittorio Arrigoni

(February 4, 1975 - April 15, 2011)

Holocaust Revisionism has two main parts. The first is an overview of information to help explain whom the Jews are and the death and carnage that they have inflicted on the Gentiles throughout history. The second part consists of 50 in-depth sections of evidence dealing with and repudiating every major facet of the Jewish "Holocaust " myth.

History Of The Jews 50 Sections Of Evidence

**"You belong to your father, the devil,
and you want to carry out your father's desires.
He was a murderer from the beginning,
not holding to the truth,
for there is no truth in him.**

**When he lies,
he speaks his native language,
for he is a liar and the father of lies."**

Speaking to the Jews in the Gospel of St. John, 8:44

I well know that this is the third rail of all third rail topics to discuss or write about, so before anyone takes this piece the wrong way, please fully hear me out. Thank you very much for reading this article and for keeping an open mind on this most taboo issue. Holocaust Revisionism has hundreds of researched links to scholarly articles, news articles, videos and films, so that you may acquire truthful knowledge and let your preconceived cognitive dissidence evaporate. After you have thoroughly read my piece, I ask you to share it with many friends, so they also may become enlightened.

First of all, let me state that if there were enough virtuous Jews who looked into this historical subject and who stood up and told the Truth, this monstrous story called the Holocaust would never have been allowed to occur. There hasn't been, and as a matter of fact, the Jews have used every psychological and political method in order to make sure everyone is indoctrinated into believing it. So much so that this extraordinary story has not only prevailed, but also has grown exponentially over the years into what it is today, a coercive brainwashing religion so everyone falls prey into believing in the Jews' victim-hood.

I was born in Manhattan, of Irish-German-French ancestry. I was raised as a Roman Catholic and went to La Salle Academy, the oldest Catholic High School in the United States. I was brought up in Elmhurst, Queens, New York City, which was and still is the most ethnically diverse neighborhood on Earth. I was exposed to people from all walks of life and cultures; it helped to make me the well rounded and tolerant person I am. From a very early age I got along with everyone. But being from New York City, I soon found one group of people that were almost always pushy and overtly obnoxious. They were the Jews, the self called "chosen people". The male Jews consistently acted different than everyone else I ever met. I wondered why these people were like this.

My Mother bought me up with outstanding moral values. She taught me to never tell a lie or deceive anyone, for any reason. She instilled in me that the best way to live my life was to abide by the Golden Rule. I have always followed her exemplary advice to do unto others as you would want done to you, and to always tell the truth. She never talked bad about anyone and was the most beautiful, giving and loving person I have ever met. My Mother Mary was the greatest Mom in the world, for she led by example.

I don't care that it is the Jews per se telling this horrendously outlandish Holocaust story. If it were the Irish or German or French or Catholic or anyone else, I would still be writing this and calling them out on it. The truth is the truth and lies are lies, it is really that simple. So, don't ever try to label me a Jew hater or an anti-Semite, I am neither. It doesn't matter to me who you are. What I have always done in life, is call it how I see it.

I also believe that this story could not have manifested itself with any other group of people, because they self govern themselves, whereas the Jews have inherently stuck together throughout all of history, even if it meant defending their own criminal activities. There are also many non-Jews who will happily regurgitate and propagate the so called Holocaust story for money, power and ego. Without these sold out lying Judas prostitutes, I do not believe this story would have endured.

"My feelings as a Christian draw me to my Lord and Saviour as a fighter. I'm being drawn to the man, who, standing alone, with only a few followers, recognized these Jews for what they were and summoned men to fight against them, and who - God's truth! - was the greatest not as a sufferer, but as a fighter. In boundless love as a Christian and as a man, I read through the passage which tells us how the Lord, at last, rose in His might and took up the scourge to drive out of the Temple this brood of vipers and adders. How terrific was His fight for the world against the Jewish poison! Today, after two thousand years, with deepest emotion, I recognize more profoundly than ever the fact that it was for this that He had to shed His blood upon the

Cross. As a Christian, I have no duty to allow myself to be cheated, but I have the duty to be a fighter for truth and justice."

Adolf Hitler

History Of The Jews

"The followers of the [National-Socialist] movement, and indeed the whole nation, must be reminded again and again of the fact that, through the medium of his newspapers, the Jew is always spreading falsehoods and that, if he tells the truth on some occasions, it is only for the purpose of masking some greater deceit, which turns the apparent truth into a deliberate lie. The Jew is the Great Master of Lies. Falsehood and duplicity are the weapons with which he wages war. Every calumny and falsehood published by the Jews are tokens of honour which can be worn by our comrades. He whom they decry most is nearest to our hearts and he whom they mortally hate is our best friend. If a comrade of ours opens a newspaper in the morning - and does not find himself vilified therein, then he has spent the previous day to no account. For, had he achieved something, he would have been threatened, slandered, derided and abused."

Adolf Hitler

It is through their evil Usury that they control almost every central bank of the world; and from that, they control almost all media, every major television and radio station, every major newspaper and magazine, every Hollywood movie, every major publisher of books and the academia from kindergarten through post-doctorate. They also have total control of every major corporation, the medical system, the judicial system and nearly every single politician. Also, never forget that the people who win the wars always write and rewrite history the way they want you to believe it occurred. This same tried and tested Jewish pattern has been repeated successfully for four thousand years.

The Jewish stranglehold over the education system has caused a 60% decrease in the vocabulary from 1950 to 1999 (25,000 words to 10,000 words). The Jews also own a majority of shares in the pharmaceutical companies and most of the sports franchises. This is why almost 25% of people (mostly females) in the United States are on heavy duty brain numbing anti-psychotic drugs, including 10% of seven year old children (both these percentages are rising dramatically every year). Most males in the United States are wasting their time on distracting sports which are broadcast 24 hours a day, 7 days a week, 365 days a year, over the television channels that the Jews own. If this weren't bad enough; add in that 75% of the water systems are poisoned with fluoride and you begin to understand the apathy that encompasses the majority of my country.

We are also being poisoned by genetically modified crops, 90,000+ man made chemicals, nuclear radiation, electromagnetic fields (cell phone towers, wi-fi, cellphones), geoengineering (chemtrails), aspartame, excitotoxins, vaccinations, harmful interactions of useless drugs, dentistry (mercury fillings and root canals) industrial foods, etc. etc. I believe this is not an accident, but done on purpose for depopulation of the World. I will be publishing an article about this on the website: <http://Depopulation.org>.

The Jews are only two tenths of one percent of the population of the Earth. The Christians, Muslims, Hindus, Buddhists and Atheists are ninety nine point eight percent of the population. It is long passed time that we band together and rise up to put an end to the evil insidious enslavement of humanity from the self deluded, "God's chosen people".

Hitler Discusses How Jews Gain Power (Mein Kampf In English)

https://www.youtube.com/watch?v=xblyxX9_4oE

"Now begins the last great revolution. By wresting political power for himself, the Jew casts off the few remaining shreds of disguise he still wears. The democratic plebeian Jew turns into the blood Jew and the tyrant of peoples. In a few years he will try to exterminate the national pillars

of intelligence and, by robbing the peoples of their natural spiritual leadership, will make them ripe for the slavish lot of a permanent subjugation. The most terrible example of this is Russia."

Adolf Hitler

The real Holocaust was what the Jews in the former Soviet Union did to the Christians after they overthrew the Tsarist autocracy in their 1917 revolution. On July 17, 1918, the Jews butchered the Russian Imperial family of Tsar Nicholas II, his wife Alexandra, and his daughters, Olga, Tatiana, Maria, Anastasia, and his son and heir, Alexei. With this completed and the Jews firmly in charge, they order the death penalty for anyone who criticized Jews. They slowly tortured and killed the priests, then desecrated the churches, then proceeded to murder upwards of 66,000,000 mostly Christians. In 1932 and 1933 in the Ukraine section of the former Soviet Union (their bread basket) the Jews starved to death roughly 10,000,000 people; Ukrainians call it their Holodomor.

"And how we burned in the camps later, thinking: What would things have been like if every Security operative, when he went out at night to make an arrest, had been uncertain whether he would return alive and had to say good-bye to his family? Or if, during periods of mass arrests, as for example in Leningrad, when they arrested a quarter of the entire city, people had not simply sat there in their lairs, paling with terror at every bang of the downstairs door and at every step on the staircase, but had understood they had nothing left to lose and had boldly set up in the downstairs hall an ambush of half a dozen people with axes, hammers, pokers, or whatever else was at hand?... The Organs would very quickly have suffered a shortage of officers and transport and, notwithstanding all of Stalin's thirst, the cursed machine would have ground to a halt! If...if...We didn't love freedom enough. And even more - we had no awareness of the real situation.... We purely and simply deserved everything that happened afterward."

"If I were asked today to formulate as concisely as possible what was the main cause of the ruinous revolution that swallowed up some 60 million of our people, I could not put it more accurately than to repeat: 'Men had forgotten God; that is why all this has happened.'"

Aleksandr I. Solzhenitsyn

The Armenian Genocide of 1,500,000 people was perpetrated, not by the Turks, but by Turkish Jewry known as Crypto-Jews, Marranos, or Donmeh. For political reasons Jews in many countries throughout history have pretended to convert to other religions in order to rise up again and regain influential political positions to adopt Jewish policies. Those crypto-Jews formed the "Committee for Union and Progress" that led the Young Turk Revolution into overthrowing the Turkish Empire.

The Armenians were running the businesses and professions in the Turkish Empire. They formed the rich class; an intelligentsia that gained influential political positions in the Empire. The Jews wanted to control the empire by inciting internal ethnic conflicts to get rid of Armenians and to take over their businesses and political positions. They promised the Christian Armenian leaders that they would regain an independent Armenia if they would help in dismantling the empire, and at the same time they promised Muslim Kurdish leaders to form an independent Kurdistan if they exterminated the Armenians.

In this way the Jewish perfidy incited a religious war to weaken and to drain the empire financially. The Armenians were duped by the Jews' promises and publicly endorsed the Balfour Declaration hoping that the United Kingdom would protect them from the Turks and support them in forming an independent Armenian State. Crypto-Jews, then, led Sultan Abdul Hamid to believe that Armenian revolutionaries were conspiring with foreign Christian missionaries to take over the empire, and prompted him to order the Young Turks, mainly crypto-Jews, to commit atrocities against Armenians in order to put down any revolution.

"These left-overs from the former Young Turk Party, who should have been made to account for the millions of our Christian subjects who were ruthlessly driven en masse, from their homes and massacred, have been restive under the Republican rule."

Mustafa "Ataturk" Kemal

(Founder of the modern Turkish Republic in 1923 and revered throughout Turkey,

**in an interview published on August 1, 1926 in The Los Angeles Examiner,
talking about former Young Turks in his country)**

Why is it almost no one knows of these barbaric Twentieth Century genocides of the Russians, the Ukrainians and the Armenian that were all committed by the Jews? Why do we let the Jews use their Holocaust story as a impenetrable shield so they can get away with their subjugation and enslavement of Humanity? It is for these reasons I've compiled the History Of The Jews and the 50 Sections Of Evidence, to fully document the truth and break their monstrous Holocaust lie. Everyone who dares to shine the light on their darkness, they quickly try to label as a Jew hating anti-Semite. I find this very interesting, because 90% of these Jews are Ashkenazi Jews, the descendants of the non-Semitic converted Khazars, who in reality despise the Semitic people.

As J. B. Campbell writes: "The Jewishness of Jews is the number one Jewish fable. The Jewish writer Arthur Koestler demolished this fable back in 1976 with his best seller, "The Thirteenth Tribe", the first popular look we got at the Khazars and their descendants, the Ashkenazim. The Ashkenazim are the ersatz Hebrews who happen to make up the entire leadership of Israel. Three years ago an Israeli named Shlomo Sand ripped off Koestler with a virtually identical book, "The Invention of the Jewish People". This book again took the Jews by surprise, undercutting the basis of Zionism, the alien invasion, occupation and mass theft and murder of Palestine and the Palestinian people. Like the Koestler book, it wrecked the "anti-Semitism" racket. Both authors explained to their Israeli readers that they, the Israeli readers, were neither Semitic nor Hebrew. Same for the New York readers and the Los Angeles readers and the Miami readers. They're all fake, wannabe Jews. Briefly, the people of Khazaria were, in 740 AD, ordered by their king to adopt the law of the Hebrews as their own."

New Genome Study Destroys Zionist Claims To Palestine

"I fully agree with General Washington, that we must protect this young nation from an insidious influence and impenetration. The menace, gentlemen, is the Jews. In whatever country Jews have settled in any great number, they have lowered its moral tone; depreciated its commercial integrity; have segregated themselves and have not been assimilated; have sneered at and tried to undermine the Christian religion upon which that nation is founded, by objecting to its restrictions; have built up a state within the state; and when opposed have tried to strangle that country to death financially, as in the case of Spain and Portugal. For over 1,700 years, the Jews have been bewailing their sad fate in that they have been exiled from their homeland, as they call Palestine. But gentlemen, did the world give it to them in fee simple, they would at once find some reason for not returning. Why? Because they are vampires, and vampires do not live on vampires. They cannot live only among themselves. They must subsist on Christians and other people not of their race. If you do not exclude them from these United States, in their Constitution, in less than 200 years they will have swarmed here in such great numbers that they will dominate and devour the land and change our form of government, for which we Americans have shed our blood, given our lives our substance and jeopardized our liberty. If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish them substance, while they will be in the counting houses rubbing their hands. I warn you, gentlemen, if you do not exclude Jews for all time, your children will curse you in your graves. Jews, gentlemen, are Asiatics, let them be born where they will nor how many generations they are away from Asia, they will never be otherwise. Their ideas do not conform to an American's, and will not even thou they live among us ten generations. A leopard cannot change its spots. Jews are Asiatics, are a menace to this country if permitted entrance, and should be excluded by this Constitutional Convention."

Benjamin Franklin (in a chit chat around the table during intermission at the Philadelphia Constitutional Convention of 1787. This statement was recorded in the dairy of Charles Cotesworth Pinckney, a delegate from South Carolina)

The Holy Bible is the most published book on Earth, the Talmud is the least published. The Talmud is the Jews' holiest book. In this holy book the Jews talk about Jesus; Jesus is in Hell, being boiled in "hot excrement." because he opposed the rabbis. And; Jesus Christ (the bastard boy who "uncovered his head" and was conceived in the filth of menstruation). They also talk about the Blessed Mary: they say that Jesus' mother was a whore: "She who was the descendant

of princes and governors played the harlot with carpenters." And; Jesus mother, "Miriam the hairdresser," had sex with many men.

The Talmud consists of 63 tractates, and in standard print is over 6,200 pages long. It is written in Tannaitic Hebrew and Aramaic. It contains the opinions of thousands of rabbis on a variety of subjects, including law, ethics, philosophy, customs, history, theology, lore and many other topics and is the basis for all codes of rabbinic law and is much quoted in other rabbinic literature.

**"The Talmud is the legal code which forms the basis of Jewish religious law
and it is the textbook used in the training of rabbis."**

The American Jewish Committee

In "The Truth About The Talmud" Michael A. Hoffman II writes: "The Talmud is Judaism's holiest book (actually a collection of books). Its authority takes precedence over the Old Testament in Judaism. Evidence of this may be found in the Talmud itself, Erubin 21b (Soncino edition): "My son, be more careful in the observance of the words of the Scribes than in the words of the Torah (Old Testament)." The Jewish Scribes claim the Talmud is partly a collection of traditions Moses gave them in oral form. These had not yet been written down in Jesus' time. Christ condemned the traditions of the Mishnah (early Talmud) and those who taught it (Scribes and Pharisees), because the Talmud nullifies the teachings of the Holy Bible."

"From the birth of Jesus until this day there have never been recorded more vicious and vile libelous blasphemies of Jesus, of Christians, and the Christian faith by anyone, anywhere, or anytime than you will find between the covers of the infamous "63 books"; which are the "legal code which forms the basis of Jewish religious law" as well as the "textbook used in the training of Rabbis." The explicit and implicit irreligious character and implications of the contents of the Talmud will open your eyes as they have never been opened before. The Talmud reviles Jesus, Christians and the Christian faith, the priceless spiritual and cultural heritage of Christians, as they have never been reviled before or since the Talmud was completed in the 5th century."

"To defend Jews, Judaism, Israel or any other alias these criminals care to use is in all instances a crime against humanity. Both their 'sacred' book, the Talmud, and their greatest philosopher, Maimonides, agree that it is the duty of all Jews to kill or enslave all the non Jews of the world. All Jews renew an oath every year to not tell the truth about anything they choose to lie about. And all Jewish holidays celebrate the slaughter of non Jews, right down to eating the 'ears' of Persians (that is, Iranians) as they celebrate all their ancient betrayals and atrocities. Jews appeal to your higher sense of morality while possessing none of their own. In any one of a million ways, this will be the cause of your premature death, if the Jews are allowed to continue their homicidal rampage unimpeded." – John Kaminski

The Jews have been expelled from at least 79 countries (sometimes two, three, four or five times) over the last four thousand years of recorded history. The first know occurrence of this expulsion was with Abraham, who originally hailed from Ur in Babylonia and fled from there circa 2,000 BC. Next, they were thrown out of Egypt circa 1,400 BC. And so it has been for them over and over through the many centuries up until today. They have never learned to assimilate into another country or culture. So, knowing this history, how could anyone ever possibly trust them?

Their elitist, devious and scheming attitude is evident for all to see in their holiest prayer, the Kol Nidre, which gives the Jews the license to lie to all Gentiles. This prayer is recited on the day before Yom Kippur ("the Day of Atonement") each year with great solemnity in all synagogues. The prayer reads as follows: "All vows, bonds, devotions, promises, obligations, penalties and oaths: wherewith we have vowed, sworn, devoted and bound ourselves: from this Day of Atonement unto to the next Day of Atonement, may it come unto us for good: lo, all these we repent us in them. They shall be absolved, released, annulled, made void and of no effect: they shall not be binding nor shall they have any power. Our vows shall not be vows: our bonds shall not be bonds: and our oaths shall not be oaths."

Kol Nidre: Judaism's License To Lie

by Reverend Ted Pike

<http://truthtellers.org/alerts/kolnidre.htm>

"If this hostility, even aversion, had only been shown towards the Jews at one period and in one country, it would be easy to unravel the limited causes of this anger, but this race has been on the contrary an object of hatred to all the peoples among whom it has established itself. It must be therefore, since the enemies of the Jews belonged to the most diverse races, since they lived in countries very distant from each other, since they were ruled by very different laws, governed by opposite principles, since they had neither the same morals, nor the same customs, since they were animated by unlike dispositions which did not permit them to judge of anything in the same way, it must be therefore that the general cause of anti-Semitism has always resided in Israel itself and not in those who have fought against Israel."

Bernard Lazare

One of these 79 countries that the Jews were thrown out of was England. On July 18, 1290 King Edward I ordered every practicing Jew in England to be expelled forever. Approximately seventeen thousand Jews were forced to leave because of their bad behavior. In 1656 Oliver Cromwell agreed to readmit the Jews to England in return for loans to the English government from Dutch Jewish bankers. After the Glorious Revolution of 1689 in England, William III merged Britain and Netherlands under the House of Orange. Soon large numbers of both Sephardim and Ashkenazi Dutch Jews begin to move into England. Almost overnight London became a center of banking.

In 1694 the Bank of England was chartered as the sole purchasing agent for highly profitable British government annuities, which were originally issued to finance the war debts resulting from their Glorious Revolution. So, within 38 years the Jews via their evil Usury had again manipulated England in their favor. This is exactly why Usury was outlawed by every major religion, except for Judaism. For the next 250 years the Jews proceeded (under the shelter of most personal immunity from their new entities the corporations) to invade 90% of the countries on Earth to steal the resources and enslave the indigenous inhabitants. "The sun never sets on the British empire", was another clever slogan for their cover, as the British navy and army were merely the strong armed mercenaries for the Jews to be able to plunder the world.

The Jews were the ruthless and cunning parasites behind the French revolution of 1789 (as well as most other revolutions since). They also took over the United States on December 23, 1913, when the Federal Reserve Bank was created. The Jewish Usury bankers have financed both sides of every major war since the battle of Waterloo on June 18, 1815. Wars are an extremely profitable business with an added glee for the Jew of knowing that tens of millions of non-Jews are killing each other while they grow fabulously rich. These people are heartless, blood soaked war profiteers.

The Jews have always controlled the slave trade (including about 90% of the “Middle Passage”), prostitution and the drug trade throughout history. By running both the worldwide banking and the drugs cartels it sure does make it convenient to launder the hundreds of billions in illegal cash through their banking system every year. Once again, not long ago, one of the world's largest banking and financial services organizations, HSBC, was caught red handed laundering billions of dollars in drug money. No one is going to jail for this. HSBC only got slightly slapped on the wrist with a 1.9 billion dollar fine (this is equal to only about four weeks of profits for them).

Have you ever wondered why we invaded Afghanistan? The production of poppies under the Taliban was almost zero before we invaded - and magically within a few years Afghanistan was supplying the vast majority of the heroin for the world.

By making all street drugs illegal the Jews have profited to the tune of hundreds of billions per year and they have created the largest prison industrial complex on Earth by filling our prisons to approximately 60% (1,300,000) with nonviolent drug offenders, while instilling the fear of getting caught in everyone who happens to use these "illegal drugs". All of this makes me wonder how in the world they still get away with their draconian War on Drugs.

More recently the Jews have controlled the highly addictive pornography industry. First in magazines, then in films and now on the Internet. They also run the worldwide trade in human organs. They target and kill Palestinian children, and then steal their bodies to harvest their organs for the profit of their fellow Jews. I did not believe this one either at first. I have a couple of links below describing this unbelievably horrendous behavior.

What I also find interesting is how the Jews push multiculturalism on everyone and yet they are the most ethnocentric people on Earth. They have also cunningly got the Christians to work on their Sabbath, but you don't see them working on their Sabbath.

The Jews realized a long time ago that if you can dominate the seven deadly sins; wrath, greed, sloth, pride, lust, envy, and gluttony, you can easily control humanity.

"We must realize that our party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the Whites, we can mold them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the Whites, we will instill into the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negroes will be able to intermarry with the whites and begin a process which will deliver America into our hands."

The Protocols of the Learned Elders of Zion is one of the most important documents ever to come to light in the world. It can be described as the blueprint for the domination of the world by Jews. It is graphic in its contempt for those who will be its victims, in its profound understanding of the human condition and mind; and it is equally graphic in detailing the methodology it will use against, and with the complicity of, the world's population, in such a way as to go unrecognized by the vast majority of the participants. The accusations leveled against it are that it is a fraud and a forgery. Of course the Jews are the ones claiming that it is both fraud and a forgery. Well, if it was a forgery, of course it is true. From all I know, it does say quite tellingly what has and is happening to us by the Jews. You should read it and make up your own mind.

"For we are opposed around the world by a monolithic and ruthless conspiracy that relies on covert means for expanding its sphere of influence - on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice, on guerrillas by night instead of armies by day. It is a system that has conscripted vast human and material resources into the building of a tightly knit, highly efficient machine that combines military, diplomatic, intelligence, economic, scientific and political operations."

John Fitzgerald Kennedy

Because of their Holocaust story, and their total control of the central banks of the world, they were allowed to steal Palestine on May 14, 1948. The United States under President Harry S. Truman was the first country that recognized the State of Israel on May 14, 1948, eleven minutes after it declared itself a nation. Truman did this against the advice of almost every one of his cabinet members and highest military advisors, including his Secretary of State George Marshall and sitting Secretary of the Navy and future first Secretary of Defense James V. Forrestal. I believe that that is why the Jews, knowing President Franklin D. Roosevelt was ill and would most likely not be able to fulfill his full four year fourth term as President, tried so hard and succeeded in getting then Vice President Henry A. Wallace off of the ticket with President Roosevelt at the 1944 Democratic convention in Chicago, and replacing him with their lackey Harry S. Truman.

Neither France nor Britain would have made Poland a cause for war, had it not been for Washington's constant

prodding... Chamberlain was convinced that the U.S.A. and world Jewry had forced England into war..."

James V. Forrestal

(assassinated on May 22, 1949, for his adamant opposition to Israel and Jews)

The Jews used the British government to claim Palestine as theirs by telling them they could draw the United States into World War I. "We will get the Americans into the war and you sign over Palestine to us", was the essence of the deal. This was done even though the British did not have the rights to do so. Palestine was controlled by the Ottoman Empire. The Balfour Declaration was a letter sent on November 2, 1917, from Arthur James Balfour, British secretary of state for foreign affairs, formerly prime minister (1902 - 1905), to Lord Walter Rothschild, 2nd Baron Rothschild, the leader of the British Jewish community, for transmission to the Zionist Federation, a private Zionist organization committed to the creation of a Jewish homeland in Israel. It read:

Foreign Office, November 2nd, 1917.

Dear Lord Rothschild,

I have much pleasure in conveying to you, on behalf of His Majesty's Government, the following declaration of sympathy with Jewish Zionist aspirations which has been submitted to, and approved by, the Cabinet.

"His Majesty's Government view with favour the establishment in Palestine of a national home for the Jewish people, and will use their best endeavours to facilitate the achievement of the object, it being clearly understood that nothing shall be done which may prejudice the civil and religious' rights of existing non-Jewish communities in Palestine, or the rights and political status enjoyed by Jews in any other country".

I should be grateful if you would bring this declaration to the knowledge of the Zionist Federation.

Yours sincerely,

(Signed) Arthur James Balfour

**“In politics, nothing happens by accident.
If it happened, you can bet it was planned that way.”
Franklin Delano Roosevelt**

After the 1920 Arab riots and 1921 Jaffa riots, the Jewish leadership in Palestine believed that the British, to whom the League of Nations had given a mandate over Palestine in 1920, had no desire to confront local Arab gangs that frequently attacked Palestinian Jews. Believing that they could not rely on the British administration for protection, the Jews created the Haganah to protect their farms and kibbutzim. Following the 1929 Palestine riots, the Haganah's role changed dramatically. It became a much larger organization with thousands of members and acquired foreign arms and began to develop workshops to create hand grenades and military equipment, transforming from an untrained militia to a capable underground army.

Since August 23, 1929 the Jews have systematically ethnically cleansed over five million Palestinians from their homeland. The Jew Irgun and Lehi (also called Stern) gangs were behind almost all the atrocities in order to steal Palestine from the Palestinians and turn it into their State of Israel. They used terrorism (blowing up the King David Hotel on July 22, 1946, killing 91 and injuring 46 others, this was done by the then Irgun gang leader and Future Prime Minister of Israel Menachem Begin, who proudly stated that he was now the world's biggest terrorist), brutality and murder as their tool in doing this. On May 15, 1948 the day after the Jews declared Israel as their own country they started massacres to expel the Palestinians. In 1948 alone there were up to 70 separate massacres done by these vicious barbarians meant to intimidate the Palestinians into leaving their own land. This is known in Arabic as; al-Nakba, a disaster, catastrophe or cataclysm.

"Jewish villages were built in the place of Arab villages. You do not even know the names of these Arab villages, and I do not blame you because geography books no longer exist. Not only do the books not exist, the Arab villages are not there either. Nahlal arose in the place of Mahlul; Kibbutz Gvat in the place of Jibta; Kibbutz Sarid in the place of Huneifis; and Kefar Yehushua in the place of Tal al-Shuman. There is not a single place built in this country that did not have a former Arab population."

David Ben Gurion

The Changing Map Of Israel From 1946 To 2000

Since the last map update, the 20 foot high wall and hundreds of illegal settlements have been built. There is no freedom of movement for Palestinians to travel from one partitioned area to all other areas of their territory. Since the building of the wall, many more families have been

divided, their land is inaccessible to farm, all goods and services controlled by Israel. Essentially Palestine is now a series of walled prisons.

http://current.com/community/89701051_the-changing-map-of-israel.htm

"For while the Zionists try to make the rest of the world believe that the national consciousness of the Jew finds its satisfaction in the creation of a Palestinian state, the Jews again slyly dupe the dumb goyim. It doesn't even enter their heads to build up a Jewish state in Palestine only for the purpose of living there; all they want is a central headquarters for their international world swindle, endowed with its own sovereign rights and removed from the intervention of other states: a haven for convicted scoundrels and a university for budding crooks."

Adolf Hitler

On September 17, 1948 the terrorists Jews assassinated the first United Nations ambassador for peace, Count Folke Bernadotte. Bernadotte was brought to the region to bring an end to the terrorism and bloodshed savagely committed by the Jews in their new country of Israel. This game changing assassination was very well thought out. It was done so that the Jews could gain a foothold in Jerusalem, which they have until and ever more so today. (There are now over 200,000 Jews living in illegally built settlements in Palestinian East Jerusalem and over 650,000 Jews living in illegally built settlements in the West Bank) Besides the approval of then Prime Minister David Ben Gurion; It also had the approval of Yizhak Shamir, the leader of the terrorist Jew Stern gang and future Prime Minister of Israel. So, there were at least three Prime Ministers of Israel that were cold blooded terrorists. Are you now beginning to realize the full scope of these vicious murdering degenerates we are dealing with?

September 17, 1948, the same day he was assassinated by the Jews

On November 6, 1944, the Jew terrorist group Lehi assassinated Lord Moyne (Walter Edward Guinness, 1st Baron Moyne), the British Minister Resident in the Middle East, in Cairo. Moyne was the highest ranking British official in the region. Yitzhak Shamir claimed later that Moyne was assassinated because of his support for a Middle Eastern Arab Federation and anti-Semitic lectures in which Arabs were held to be racially superior to Jews. The assassination rocked the British government, and outraged Winston Churchill, the British Prime Minister. The two assassins, Eliahu Bet-Zouri and Eliahu Hakim were captured and used their trial as a platform to make public their political propaganda. They were executed. In 1975 their bodies were returned to Israel and given a state funeral. In 1982, postage stamps were issued for 20 Olei Hagardom, including Bet-Zouri and Hakim, in a souvenir sheet called "Martyrs of the struggle for Israel's independence.

"This group of humans is apparently so special, so great, so awesome, so incredible, so protected and possibly so powerful that a strange situation has arisen in the Western World. We non-Jewish humans can write about most any other group of humans, but we cannot write about this group called "Jews" without a creating a firestorm. There are exceptions. We can write about "Jews" if we adopt a slavish, worshipful tone that emphasizes how wonderful, special, perfect and totally awesome this group is."

Robert Lindsay

Between September 16 and September 18, 1982, under the pretext of curbing attacks on Israeli troops by the Palestine Liberation Organization (PLO) in Lebanon, Israeli Prime Minister Menachem Begin ordered the Israeli army to invade. In an orgy of bloodletting, then Defense Minister and later Israeli Prime Minister Ariel Sharon ordered his troops to encircle the Lebanese refugee camps of Sabra and Shatila giving the Maronite Phalangists free reign to murder at will. Figures vary, but somewhere between 1,700 and 3,000 Palestinians, most of them innocent civilians, were mercilessly butchered in response to the murder of Israeli-backed Christian Lebanese President-elect Bashir Gemayel.

Israel Leaves Behind Traces Of Genocidal Crimes In Lebanon

**"I want to tell you something very clear, don't worry about American pressure on Israel, we, the Jewish people control America, and the Americans know it."
Israeli Prime Minister Ariel Sharon to cabinet member Shimon Peres**

From 1948 through until today the United States has given these ruthless barbaric Jews the military cover they have needed. Since President John F. Kennedy was assassinated (by Israel with help from our controlled lackeys and all of the Jew media) on November 22, 1963, the funding of Israel has literally skyrocketed. We have given Israel well over a hundred and thirty billions of dollars of direct aid and who knows how many tens or hundreds of billions in the most sophisticated military equipment. Remember that when the 2.3 trillion dollars was announced missing on September 10, 2001, dual citizen Rabbi Dov Zakheim was the Comptroller of the Pentagon.

The United States Promotes Israeli Genocide Against The Palestinians

**"You will only find in the Jews an ignorant and barbarous people, who for a long time have joined the most sordid avarice to the most detestable superstition and to the most invincible hatred of all peoples which tolerate and enrich them."
Voltaire**

“Every time anyone says that Israel is our only friend in the Middle East,

**I can't help but think that before Israel, we had no enemies in the Middle East.”
Father John Sheehan, S. J.**

Nihilistic Israel is in violation of 79 United Nations Security Council resolutions, far more than any other country. The United States Government has protected Israel by vetoing these United Nations Security Resolutions 29 times. On many of these occasions we were the only country to do so. We get paid back by these traitorous Jews with spies like Julius and Ethel Rosenberg and Jonathan Pollard. There have been countless others espionage cases of Jews stealing our military top secrets and then selling them to our enemies. Well, the real enemy has been inside our gates for a long time, and they cleverly disguise themselves with legitimate sounding lobbying and front groups such as the American Israel Political Action Committee (AIPAC). This diabolically sinister group of treacherous Jews is running our foreign policy, starting wars all over the globe.

http://www.radioislam.org/islam/roligt/lobby/cartoons_jewlobby.htm

"I am aware how almost impossible it is in this country to carry out a foreign policy [in the Middle East] not approved by the Jews..... terrific control the Jews have over the news media and the barrage the Jews have built up on congressmen I am very much concerned over the fact that the Jewish influence here is completely dominating the scene and making it almost impossible to get congress to do anything they don't approve of. The Israeli embassy is practically dictating to the congress through influential Jewish people in the country"

J. William Fulbright

(Senate Foreign Relations Committee Chairman, October 7, 1973)

"It's so strong you wouldn't believe now. We have the Israelis coming to us for equipment. We can say we can't possibly get the Congress to support a program like this. They say, 'Don't worry about the Congress. We will take care of the Congress.' This is somebody from another country, but they can do it. They own, you know, the banks in this country, the newspapers. Just look at where the Jewish money is."

General George S. Brown

(Chairman of the Joint Chiefs of Staff, 1974)

What these two powerful men were talking about almost forty years ago is dual Israeli – American citizens that have infiltrated our government to the highest levels of power. These Jews are all spies for Israel. As John Kaminski writes: "How is it, you may ask, that one single country in the world has the right to "share" or "combine" its citizenship with another country, yet reserve the right to provide its citizens who are wanted for crimes in "that other country" indefinite immunity from those crimes? Such is the case with so-called dual Israeli American citizens, who maintain all of the so-called advantages of U.S. citizenship but none of the responsibility for obeying its laws. Jews, because they are the only lawful inhabitants of the so-called State of Israel, can commit crimes in the U.S. or elsewhere - even murder - then flee to Israel, where they remain beyond the reach of U.S. law." This Cicero quote sums it up perfect.

"A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and carries his banner openly. But the traitor moves amongst those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself. For the traitor appears not a traitor; he

speaks in accents familiar to his victims, and he wears their face and their arguments, he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation, he works secretly and unknown in the night to undermine the pillars of the city, he infects the body politic so that it can no longer resist. A murderer is less to fear.”

Marcus Tullius Cicero

Why Does The United States Allow Israeli Citizens In The U.S. Congress?

<http://www.abovetopsecret.com/forum/thread824888/pg1>

"I've never seen a President -- I don't care who he is -- stand up to [the Jews] ... They always get what they want. The Israelis know what is going on all the time. I got to the point where I wouldn't write anything down. If the American people understood what a grip these people have got on our government, they would rise up in arms."

Admiral Thomas Moorer

(former Chairman of the U.S. Joint Chiefs of Staff, 1984)

The people from the United States have been taken in every which way by the Jews through their total ownership of all the Mass Media. So much so, that even today most believe that the Jews are victims of the Palestinian "terrorists". Of course the truth is the exact opposite, the Ashkenazi Jews are the ones who have stolen the land and are enslaving the true people of

Palestine. But this obvious contraction shows the strength of their relentless propaganda to indoctrinate everyone with their distorted lies. So, earlier this year (2012) I was happy to see Rick Steves,

(<http://RickSteves.com>) the wonderful tour guide of Europe, write a very brave article stating to the world that; "I've been duped" about how Israel has in fact been subjugating the Palestinians using the media to do so. The film "Peace, Propaganda, And The Promised Land" opened his eyes to the truth. The full documentary and Rick's article are linked just below. Please read his article and watch the film that made this world traveler see the truth.

"We seek the free flow of information and we are not afraid to entrust the American people with unpleasant facts, foreign ideas, alien philosophies and competitive values. For a nation that is afraid to let its people judge truth and falsehood in an open market is a nation afraid of its own people."

John Fitzgerald Kennedy

Former President Jimmy Carter realizes the brutality done by the Jews in Israel to the Palestinians. He wrote a book back in 2007, "Palestine, Peace Not Apartheid", which outlines many of these injustices. I saw a few interviews while he was promoting this book, and I have never in my life heard a former President treated with such disdain by his interviewers. The Jewish controlled media was outraged that he had the compunction to write this book, and they let him know it. They again showed their hand by acting this way.

“The bottom line is this: Peace will come to Israel and the Middle East only when the Israeli government is willing to comply with international law, with the Roadmap for Peace, with official American policy, with the wishes of a majority of its own citizens --and honor its own previous commitments -- by accepting its legal borders. All Arab neighbors must pledge to honor Israel's right to live in peace under these conditions. The United States is squandering international prestige and goodwill and intensifying global anti-American terrorism by unofficially condoning or abetting the Israeli confiscation and colonization of Palestinian territories.”

Jimmy Carter

There are many people throughout the world concerned with the plight of the Palestinian people. One of these is Roger Waters, co-leader of the rock n' roll band Pink Floyd. Roger has steadfastly used his fame to gather support from people who may not have been aware of the unjustness otherwise. He is a conscientious leader disseminating peace and love through his music, words and actions for many years.

Israel possess somewhere between 500 and 800 nuclear weapons and they have the capability of launching them via submarines, ICBMs and aircraft. They have openly stated that they will use the "Samson Option", yet they have never officially admitted to having nuclear weapons. They have also stated that signing the Nuclear Non-Proliferation Treaty and having International inspections would be contrary to their national security interests. My question; Do these psychopaths have enough nuclear weapons to create a nuclear winter? I think they are very close to having enough to end life on Earth.

Nuclear Secret In Israel: Leaked FBI Papers

Suggest Israeli PM Connected To Nuke Smuggling

https://www.youtube.com/watch?v=x_tffAr-qJA

“We possess several hundred atomic warheads and rockets and can launch them at targets in all directions, perhaps even at Rome. Most European capitals are targets for our air force.... We have the capability to take the world down with us. And I can assure you that this will happen before Israel goes under.”

Martin Van Creveld

(Israeli military historian)

We know that Israel processes nuclear weapons thanks to Mordechai Vanunu who had worked on the Israeli nuclear weapons program for many years. In 1986 he approached the London Sunday Times and handed them sixty photographs proving Israel's possession of nuclear weapons. The West had guessed that Israel had possessed nuclear weapons since the late 1960s but until Vanunu came along such claims could still be dismissed because of Israel's policy of “deliberate ambiguity”. He was kept hanging for weeks while it attempted to gain verification for what was going to be a global news story. During this time Vanunu became impatient and approached rival paper the Sunday Mirror with his story. At this point the paper's owner, Robert Maxwell tipped off the Mossad who decided to arrest Vanunu, but decided to do it off British soil to avoid embarrassing Israel's ally, then Prime Minister Margaret Thatcher. American born Israeli Cheryl Hanin was given the cover name "Cindy" and dispatched to

London to pick up Vanunu in a classic honey trap. After a short affair in London “Cindy” persuaded Vanunu to accompany her to Rome, where he was drugged by Israeli intelligence officers and transported to Israel aboard a freight ship. He stood trial in secret and was sentenced to 18 years in prison, 12 of which were spent in solitary confinement. Mordechai Vanunu was finally released from prison in 2004.

The Jews are also well known for their false flag operations. False flags are covert operations designed to deceive in such a way that the operations appear as though they are being carried out by other entities. The Israeli intelligence agency the Mossad is masterful at pulling off false flag operations, as the following links will prove.

The Katyn forest massacre cover-up is a perfect example of how the Jewish forces in the United States and Britain tried to blame the Germans, all the while knowing it was the Jews of the Soviet Union. The Katyn Forest is near the village of Gneizdovo, a short distance from Smolensk in Russia. In 1940, on Stalin's orders, the People's Commissariat for Internal Affairs (NKVD) which was the secret police organization of the Soviet Union, shot and buried over 4,000 Polish officers and service personnel that had been taken prisoner when the Soviet Union invaded Poland on September 17, 1939, during the start of World War II. In 1943 when the Germans found and exhumed the Polish massacre they placed the blame correctly on the Soviet Union. In 1944, having retaken the Katyn area from the Germans, the Soviets exhumed the Polish dead again and blamed the Germans. In 1989, with the collapse of Soviet Power, Premier Gorbachev finally admitted that the Soviet NKVD had executed the Poles, and confirmed two other burial sites similar to the site at Katyn. Stalin's order of March 1940 to execute by shooting some 25,700 Poles, including those found at the three sites, was also finally disclosed with the collapse of the Soviet Union.

The Jewish holiday of Purim commemorates the Old Testament's Book of Esther, which hails the genocide of 75,000 Persians as a result of the scheming of Esther, the Jewish bride of the Persian king. No other Jewish holiday, all of which in one form or another celebrate the defeat and destruction of non-Jews, better exemplifies the venal nature of the teachings that underlie what one Jewish theologian has called "the Jewish Utopia," which is the philosophical foundation of what some today refer to as an impending New World Order. Jews have been massacring on Purim ever since.

I have caught on to what the Jews do to celebrate their killing holiday called Purim.

Joseph Stalin poisoning occurred on Purim March 1, 1953 (Died on March 5, 1953)

The Highway of Death occurred on Purim February 27-28, 1991

The Cave of the Patriarchs massacre occurred on Purim February 24-25, 1994

The Iraq War started on Purim March 17-18, 2003

The Libya War started on Purim March 19-20, 2011 (I called this one)

I am stating that Iran will most likely be attacked on Purim March 15-16 2014

Out of the almost 200 countries on our planet, Israel was just ranked as world's most militarized nation. Israel has topped the list of the world's most militarized countries, according to the latest Global Miniaturization Index released on November 14, 2012, by the Bonn International Centre for Conversion (BICC). In 2009 Israel's military spending accounted for 15.1% of the country's budget. It was the biggest defense spender as a percentage of gross domestic product (GDP out of all developed countries. I am sure by now that you are beginning to realize everything you have

There is a myth that has been propagated that Germany has been an aggressive nation throughout its history. The documented facts however prove otherwise. A Study of War by Professor Quincy Wright, shows that during the years from 1480 to 1940 there were 278 wars involving the European countries. The following is a list that shows the percentage of participation by each country:

England 28%

France 26%

Spain 23%

Russia 22%

Austria 19%

Turkey 15%

Poland 11%

Sweden 9%

Italy 9%

Netherlands 8%

Germany (Including Prussia) 8%

Denmark 7%

But By Jingo When We Do

by Michael Walsh

<http://www.sweetliberty.org/issues/wars/witness2history/12.html>

The figures below belie the Allied (Jew) accusations that Germany armed her way out of the Great Depression. What actually occurred was that Germany took the banks away from the Jews and started to issue usury free Reichsmarks. This is what created the economic miracle. Within three years during the Great Depression, Germany under Adolf Hitler went from 30% unemployed to full employment. But the Jews needed a lie for the history books, so you have been told she armed her way out of it.

Pretty much everything you ever learned about Germany was a lie to deceive you. One of the biggest lies was that Adolf Hitler wanted to take over the world. It is prosperous brainwashing nonsense to con you from looking at the truth (that the Jews want to enslave all of humanity). It was only starting in 1935 - 1936, that Germany knew that war with the Jew run Soviet Union was going to be inevitable, so she rightly started with the building up of armaments to protect herself. The following is the breakdown of Gross National Income spent by Germany on armaments each year from 1933 to 1939:

German Defense Industry Income from 1933 to 1939:

1933/34 1.9 billion Reichsmarks = 4% of the National Income

1934/35 1.9 billion Reichsmarks = 4% of the National Income

1935/36 4 billion Reichsmarks = 7% of the National Income

1936/37 5.8 billion Reichsmarks = 9% of the National Income

1937/38 8.2 billion Reichsmarks = 11% of the National Income

1938/39 18.4 billion Reichsmarks = 22% of the National Income

The anti-German and anti-Hitler brainwashing propaganda by the Jewish owned media sources is quite relentless and very thorough. If you ask the question, who is the most evil person in history? The answer almost always is Adolf Hitler. Or, when people try to describe evil, they say things like, they are worse than the Nazis (using Nazi or Nazis is a pejorative, it is akin to calling a Jew: kike, sheeny, yid, heeb, hymie, shyster, charlatan etc.) even when describing the behavior of Israel or the Jews they say this. When wanting to demonize the next leader they want to take down, such as Saddam Hussein, Muammar Gaddafi, Mahmoud Ahmadinejad or the latest, Bashar al-Assad, they characterize them as the next Hitler. You would think people would catch on to this heavy handed overplaying every time, but yet they don't. See what happens when you have been inculcated all your life to believe a certain way, the Jewish propaganda way.

"Thanks to the terrible power of our International Banks, we have forced the Christians into wars without number. Wars have a special value for Jews, since Christians massacre each other and make more room for us Jews. Wars are the Jews' Harvest: The Jewish banks grow fat on Christian wars. Over 100 million Christians have been swept off the face of the earth by wars, and the end is not yet."

Rabbi Reichorn

Kristallnacht or Night of Broken Glass occurred after German diplomat Ernst vom Rath was gunned down by a German-born Polish Jew assassin Herschel Grynszpan in Paris in 1938. The German people finally had it with the Jews and this assassination was the straw that broke the camel's back. What followed the assassination was an attack against Jews throughout Germany and parts of Austria on November 9-10, 1938. The attacks left the streets covered with broken glass from the windows of Jewish stores, buildings, and synagogues. Contrary to what you have been force-fed by the Jews, when Adolf Hitler found out he was furious about it and put a stop to it as quickly as he possibly could. He said that action was "un-German" and that Germany would have a difficult time recovering from the terrible publicity that would come from it. He was correct, the Jewish-controlled Media had a field day with the event and saturated the world with the anti-German news. To this day mostly everyone has no idea what really triggered Kristallnacht, thinking it was just the Germans going crazy, and the poor Jews were once again mere innocent victims. There were 91 Jews killed, with about 30,000 arrested. Many Jewish homes, hospitals, and schools were ransacked with over 1,000 synagogues burned, and about 7,000 Jewish businesses destroyed or damaged.

This timeline from the Jew-created Wikipedia lists most of the justified backlash against the Jews throughout the last 2,500 years. It speaks volumes and should open one's eyes about how every country and culture has tried to limit these savages time and time again. Just two from the timeline trying to reign in the Jews: On January 31, 439 The Codex Theodosianus, the first imperial compilation of laws. Jews are prohibited from holding important positions involving money, including judicial and executive offices. The ban against building new synagogues is reinstated. The anti-Jewish statutes apply to the Samaritans. The Code is also accepted by Western Roman Emperor, Valentinian III. In 535 The First Council of Clermont (of Gaul) prohibits Jews from holding public office.

Now it means a man who is hated by Jews."
Joseph Sobran**

The following links illuminate why the Jews have been scorned. It is because of their misanthropy (that is, hatred of mankind in general) throughout history. After reading the truth one ceases to wonder why this one group of people have been relentlessly ostracized and one soon realizes that it is because they have an avaricious and pernicious contempt for every other people on the planet. I liken their behavior of being thrown out of 79 countries, like a drunk being thrown out of 79 bars. They are constantly blaming the bartenders in every one of these establishments. The problem was not of course with the 79 countries; it was simply a backlash against the Jews for their contemptuous behavior. This behavior of theirs has occurred without stopping, for the last three thousand years. Instead of looking in the mirror and asking, "what is wrong with my people and I", they arrogantly keep blaming everyone else. A large part of the problem is that they truly believe their "God's Chosen People" supremacy rhetoric.

"I still remember old Jews spitting while passing by a church, and cursing while passing by a Christian cemetery. Last year in Jerusalem, a Jew decided to refresh the tradition. He spat at the

Holy Cross carried in the procession in the city. Last year, the biggest Israeli tabloid Yedioth Aharonoth reprinted in its library the Jewish anti-Gospel, "Toledoth Eshu." It is the book of hate for Christ. The hero of the book is Judas. He captures Jesus by polluting his purity. According to "Toledoth," the conception of Christ is sin, the miracles of Jesus [are] witchcraft, his resurrection but a trick. Even today, Jews in Israel refer to Jesus by the demeaning word "Yeshu" (instead of "Yeshua"), meaning "Perish his name." In a similar pun, the New Testament Gospel [sic] is called Avon Gilaion, "the booklet of sin." These are the endearing feelings that the friends of Christian Zionists maintain toward Christ."

Israel Shamir

The following peace activists all went to Palestine to try and help a people that almost the whole world has turned their backs on. The Jews murdered five out of the six of these brave heroes. The sixth was shot in the head but lived. Only one Jew was ever brought to any kind of justice (a few years in jail) for these premeditated murders.

On March 16, 2003, Rachel Corrie, a beautiful 23-year-old peace activist and member of International Solidarity Movement from Olympia, Washington, was in Rafah, Palestine trying to protect people's homes from illegally being bulldozed, when she was crushed to death by an Israel Defense Forces armored bulldozer (made in the United States by the company Caterpillar). No one was ever held responsible for killing her. The United States government did next to nothing to admonish Israel for her heinous murder.

On April 5, 2003, Brian Avery, an American volunteering for the International Solidarity Movement in the West Bank town of Jenin, was shot in the face by Israel Defense Forces. The shooting, which according to Human Rights Watch was "unprovoked and did not occur in the context of any apparent hostilities", caused Avery to suffer permanent disfigurement. Avery appeared before the Israeli Supreme Court on February 28, 2005 to request a criminal investigation into his shooting. He accused Israeli troops of shooting him without provocation. In November 2008, Avery accepted a settlement for 150,000 USD from the state of Israel It's one of the very few times the state has awarded damages to anyone hurt by the IDF during the Second Intifada.

On April 11, 2003, Tom Hurndall, a British photography student, a volunteer for the International Solidarity Movement (ISM), and an activist against the Israeli occupation of the Palestinian territories was shot in the head in the Gaza Strip by an Israel Defense Forces sniper, Taysir Hayb. Hurndall was left in a coma for nine months and died on January 13, 2004. His father told a British inquest that, according to ISM and Palestinian witnesses, Hurndall had seen a group of children playing and had noticed that bullets were hitting the ground between them. Several children had run away but some were "paralysed with fear" and Hurndall went to help them. Hurndall's father told the inquest: "Tom went to take one girl out of the line of fire, which he did successfully, but when he went back, as he knelt down [to collect another], he was shot." Only because his Father was a lawyer with some pull was Hayb convicted of manslaughter and obstruction of justice by an Israeli military court in April 2005 and sentenced to eight years in prison. Hayb was released early, on September 8, 2010.

On May 2, 2003, James Miller, a Welsh cameraman, producer, and director, and recipient of numerous awards, including five Emmy Awards was killed by a single shot fired by a soldier from the Israel Defense Forces while filming a documentary in Rafah. The soldier who shot him was identified in the press as Captain Hib al-Heib, a Bedouin Arab in the IDF. The Israeli Military Police investigation into Miller's death closed on March 9, 2005 with an announcement that the soldier suspected of firing the shot would not be indicted, as they could not establish that

his shot was responsible. On April 6, 2006, the inquest jury at Saint Pancras Coroner's Court in London returned a verdict of unlawful killing, finding that Miller had been "murdered." After meetings with the Miller family, the Attorney General, Lord Goldsmith, sent a formal request to his Israeli counterpart in June 2007 for prosecution proceedings to be enacted within six weeks against the soldier responsible for firing the shot. The Israeli government ignored the requests and prosecution proceedings were never enacted.

Iain John Hook was working for the United Nations Relief and Works Agency for Palestine Refugees in the Near East as project manager in the rebuilding of Jenin Refugee Camp in West Bank, which was home to 13,000 Palestinian refugees. He was shot and killed by an Israel Defense Forces sniper, during a battle in Jenin on November 22, 2002. A United Nations Security Council resolution condemning Israel was vetoed by the United States. In 2005 an English inquest jury returned a verdict of unlawful killing.

Vittorio Arrigoni worked with the pro-Palestinian International Solidarity Movement in the Gaza Strip, from 2008 until his death. Arrigoni maintained a website, Guerrilla Radio, and published a book ([Gaza: Stay Human](#)) of his experiences in Gaza during the 2008-09 Gaza War between Hamas and Israel. He was kidnapped on April 14, 2011 and murdered on April 15, 2011. Although Arrigoni was killed by suspected members of the Palestinian Salafist group Jahafil Al-Tawhid Wal-Jihad fi Filastin, some blamed Israel for the murder. In spite of the fact that Hamas identified the perpetrators with a Palestinian group affiliated with al Qaeda, Hamas spokesman Fawzi Barhoum said he suspected Israel might be responsible since the death appeared to be timed to deter foreign activists from joining a flotilla due to sail to Gaza in May to break Israel's naval blockade of the area. Only Israel would want this loving and peaceful man killed.

The Gaza Freedom Flotilla Massacre was committed under the cover darkness in International waters on May 31, 2010, by ruthless Israel Defense Force pirates. These Jews forced themselves on board the Turkish ship the MV Mavi Marmara, where they proceeded to murder nine peaceful activists. Killed were eight Turkish nationals and one American boy, nineteen-year-old Furkan Dogan (shot point blank in the head four times - and the United States government did absolutely nothing about this), and many were wounded. All the murders and injuries done by the Jews were caused by gunshots, some of them at point blank range. These brave people from around the world and from all walks of life were trying to break the then three-year illegal Israeli blockade of Gaza (the biggest open air prison on Earth, with 1,700,000 people, half of them children) to bring them desperately needed supplies and medicines. These Jew savages deliberately murdered them. The world has remained mostly silent to these illegal and barbaric atrocities on innocent people trying to bring in humanitarian aid.

The following are only a few disgusting horrific stories of what happens to Palestinian children and families on a daily basis at the hands of the Israel Defense Force.

On October 5, 2004, the Israeli Occupation Forces shot to death Iman al-Hams. She was an unarmed 13-year-old Palestinian girl, who was on her way to school, near Rafah, in the Gaza Strip. Her body was found riddled with 20 bullet wounds. The Israeli army officer know only as "Captain R" who fired the entire magazine of his automatic rifle into Iman al-Hams, and then said he would have done the same even if she had been three years old, was acquitted on all charges by a military court yesterday. In fact the Israel government awarded this murderous monster 17,000 USD for his suffering.

The Gaza beach blast was an incident on June 9, 2006 in which eight Palestinians were killed and at least thirty others injured in an explosion on a beach near the municipality of Beit Lahia in the Gaza Strip. The aftermath of the incident was captured on video and showed a distressed eleven-year-old girl, Huda Ghalia, mourning the loss of family members, most of whom were killed in the incident. The footage of Ghalia's grief, which received considerable media attention, was broadcast on news networks around the world, making her a symbol of Palestinian suffering. The Israeli prime minister, Ehud Olmert, initially apologised for the killings, but the military swiftly realised it was confronting another public relations disaster, so they quickly convened a committee to investigate the deaths on the beach and swiftly absolved itself of responsibility.

The Samouni Family Massacre - According to accounts by family members, on January 4, 2009, the first day of the Israeli incursion, the Samouni family were ordered out of their houses (most of them were later demolished) by Israeli soldiers and told to gather in a nearby home. They were forced to move again to another building, with over 100 members in one home. On January 5, Israelis began demolishing the wall of the house. According to eyewitnesses, when one of the occupants went to alert the Israeli soldiers that people were inside, including women and children, the soldiers began to shoot at the house. After a short lull, the house was shelled and hit by missiles fired by the Israeli Air Force, severely damaging the building and killing and injuring the occupants. A total of 49 members of the Samouni extended family were killed, according to The Daily Telegraph and The Guardian newspapers, reporting from Zeitoun, while Newsweek divided the number killed into 29 family members and 19 others. Articles in Haaretz say just 21 family members were killed, and do not mention other deaths. A large number of the dead were women and children; the Telegraph reported that the dead were, "mostly women, children and elderly".

Israel now uses what is known as game theory warfare to create havoc anywhere it wants throughout the world. Like a chess champion thinking many steps ahead, this sophisticated strategy uses mathematical models to ensure an intended response to their manipulated staged provocations. Heads Israel wins and tails everyone else loses. As Jeff Gates writes: "Such “probabilistic” war planning enables Tel Aviv to deploy serial provocations and well-timed crises as a force multiplier to project Israeli influence worldwide. For a skilled agent provocateur, the target can be a person, a company, an economy, a legislature, a nation or an entire culture - such as Islam. With a well-modeled provocation, the anticipated reaction can even become a powerful weapon in the Israeli arsenal. For instance, a skilled game theorist could foresee that, in response to a 9/11-type mass murder, “the mark” (the U.S.) would deploy its military to avenge that attack. With phony intelligence fixed around a preset goal, a game theory algorithm could anticipate that those forces might well be redirected to invade Iraq - not to avenge 9/11 but to pursue the expansionist goals of Greater Israel."

"The Third World War must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion...We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view. This manifestation will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time."

The Mossad have assassinated hundreds of Iraqi scientists and professors from 2003 to 2005. Assassinations of Iraq academics in Iraq never existed prior to April 2003. Persistent Israeli hit squads against Iraqi scientists had been active in Iraq since April 2003, but the latest chapter was uncovered on Tuesday, June 14, 2005 by the Palestine Information Center which, citing a report compiled by the United States Department of State and intended for the American President, stated that Israeli and foreign agents sent by Mossad, in cooperation with United States, to Iraq, killed at least 350 Iraqi scientists and more than 200 university professors and academic personalities.

The final nail in our coffin may very well be the Jews stealing the faith from the Christians from right out under them. The Jews subverted the Roman Catholic Church at the Second Vatican Council. The council, through the Holy See, formally opened under the pontificate of Pope John XXIII on October 11, 1962 and closed under Pope Paul VI on December 8, 1965. They have also infiltrated many of the Christian churches in the United States and created Christian Zionists zombie stooges out of the congregations. It has been an insidious measured degrading of the Christian faiths by these saboteurs. They find a way in and slowly metastasize in each Church to fulfill their ultimate goal, the total brainwashing away from the teachings of Jesus Christ. They have taken over the Churches from within to reinforce their victim hood and make it easier to enslave humanity. We must turn this around and regain our true faith.

Can the Jews trace integral components of their heritage to the famed and mysterious Neanderthal? This theory may sound preposterous on first hearing about it, yet there are many interesting aspects that ring true. Keep an open mind, take a look through the links provided below and make up your own mind. The Neanderthals genes constitute between 1% to 4% of the Homo sapiens genome. I propose a simple modern DNA test on Jews would tell us exactly what percentage Neanderthal they are.

The ringworm affair shows the utter contempt the Ashkenazi Jews have for the Sephardim Jews. In the late 1940s and the 1950s tens of thousands of immigrant Sephardim Jew children (mostly Moroccan) underwent radiation against ringworm. Every Sephardim child was to be given 35,000 times the maximum dose of x-rays through his head. On the Israeli national agenda, the ringworm affair is in a class with the affairs of the Yemenite children (some of whom were allegedly kidnapped and then put up for adoption) and the spraying of new Jew immigrants with DDT. It is a symbol of the arrogant and alienated attitude of the Ashkenazi Jew establishment in the 1950s toward the new Jew immigrants from the Arab countries. To fool the parents of the victims, the children were taken away on "school trips" and their parents were later told the x-rays were a treatment for the scourge of scalpal ringworm. Approximately 6,000 of the children died shortly after their doses were given to them. Many of the rest developed cancers that killed thousands more, with countless more still dying today. During their lives, almost all of these victims suffered from a wide variety of disorders such as epilepsy, amnesia, Alzheimer's disease, chronic headaches and psychosis.

“Every Sephardi child was to be given 35,000 times the maximum dose of x-rays through his head. For doing so, the American government paid the Israeli government 300 million Israeli liras a year. The entire Health budget was 60 million liras. The money paid by the Americans is equivalent to billions of dollars today. To fool the parents of the victims, the children were taken away on "school trips" and their parents were later told the x-rays were a treatment for the scourge of scalpal ringworm. 6,000 of the children died shortly after their doses were given, while many of the rest developed cancers that killed thousands over time and are still killing them now. While living, the victims suffered from disorders such as epilepsy, amnesia, Alzheimer's disease,

chronic headaches and psychosis. ...The film presents a historian who first gives a potted history of the eugenics movement. In a later sound bite, he declares that the ringworm operation was a eugenics program aimed at weeding out the perceived weak strains of society.”

Barry Chamish

There is a worldwide blowback against Israel. It is the movement called; Boycott, Divestment and Sanctions. The following is their statement of purpose: For decades, Israel has denied Palestinians their fundamental rights of freedom, equality, and self-determination through ethnic cleansing, colonization, racial discrimination, and military occupation. Despite abundant condemnation of Israeli policies by the United Nations, other international bodies, and preeminent human rights organizations, the world community has failed to hold Israel accountable and enforce compliance with basic principles of law. Israel’s crimes have continued with impunity.

In view of this continued failure, Palestinian civil society called for a global citizens’ response. On July 9, 2005, a year after the International Court of Justice’s historic advisory opinion on the illegality of Israel’s Wall in the Occupied Palestinian Territories (OPT), a clear majority of Palestinian civil society called upon their counterparts and people of conscience all over the world to launch broad boycotts, implement divestment initiatives, and to demand sanctions against Israel, until Palestinian rights are recognised in full compliance with international law.

The campaign for boycotts, divestment and sanctions (BDS) is shaped by a rights-based approach and highlights the three broad sections of the Palestinian people: the refugees, those under military occupation in the West Bank and Gaza Strip, and Palestinians in Israel. The call urges various forms of boycott against Israel until it meets its obligations under international law by: Ending its occupation and colonization of all Arab lands occupied in June 1967 and dismantling the Wall; Recognizing the fundamental rights of the Arab-Palestinian citizens of Israel to full equality; and Respecting, protecting and promoting the rights of Palestinian refugees to return to their homes and properties as stipulated in UN Resolution 194.

Another very clever way to boycott Israel and her goods is: Boycott '729' The Barcode. The 729 on the barcode indicates the product is made in Israel.

**"The end of apartheid stands as one of the crowning accomplishments of the past century, but we would not have succeeded without the help of international pressure -- in particular the divestment movement of the 1980s. Over the past six months, a similar movement has taken shape, this time aiming at an end to the Israeli occupation".
Bishop Desmond Tutu**

Sayanim are Jewish spies. They could be your doctor, dentist, CPA, lawyer or your next-door neighbor. They are working everywhere and all the time to steal important information, and if we say or do anything against the Jews or Israel they will inform on us back to their handlers, the Mossad. Jeff Gates sums it up well when he writes: "Americans know that something fundamental is amiss. They sense - rightly - that they are being misled no matter which political party does the leading. A long misinformed public lacks the tools to grasp how they are being deceived. Without those tools, Americans will continue to be frustrated at being played for the fool. When the "con" is clearly seen, "the mark" (that's us) will see that all roads lead to the same duplicitous source: Israel and its operatives. The secret to Israel's force-multiplier in the U.S. is its use of agents, assets and sayanim (Hebrew for volunteers). When Israeli-American Jonathan Pollard was arrested for spying in 1986, Tel Aviv assured us that he was not an Israeli agent but part of a "rogue" operation. That was a lie. Only 12 years later did Tel Aviv concede that he was an Israeli spy the entire time he was stealing U.S. military top secrets. That espionage - by a purported ally - damaged our national security more than any operation in U.S. history. In short, Israel played us for the fool."

The Kosher Tax is yet another shakedown to the Jew mafia. As Geraldo Fuentes writes: "Jews that observe traditions of the Torah and Talmud adhere to strict dietary laws that prohibit certain food combinations, methods of slaughter and eating certain "unclean" animals, such as pork and bottom-feeders like lobsters. Food that meets these strict requirements must be supervised in its production by a Rabbi and only then will it be certified as "Kosher". These foods are marked in a special way by affixing a Kosher symbol on the product's label. The most common one in America is the letter "U" inside a circle, or the letter "K" -- but there are many more. Because food producers must hire the services of a Rabbi to inspect and verify that they comply with these strict regulations, organizations like the union of orthodox Jewish congregations collect a fee for their services. This fee adds to the cost of producing the food, which is, of course, passed along to the end consumer as a so-called Kosher Tax."

Marcus Eli Ravage**

The Jews have been assassins throughout history. If they have not themselves carried out the assassinations, they were almost always the people who paid the assassins to do so. Assassinations are just another nefarious weapon in the Jewish arsenal meant to destabilize a country or its people so they can gain control or completely take over.

Another way the Jews take total control of a host country is to disarm the citizens. This has occurred many times throughout history, most notable in the former Soviet Union after the 1917

Jewish Communist Revolution. The guns were taken away and then upwards of 66 million mostly Christian people were systematically murdered. The same modus operandi is now unfolding in the United States after the false flag assassination of 20 children and six adults at the Sandy Hook elementary school. Just take a look at who is pushing for gun control; they are all Jewish politicians. These Jews are so full of their own hubris that they are not even using the shabbos goy politicians to initiate the gun control legislation. I have said for many years, beware of these most dangerous and deceitful people, for what they really want to do is to take away our second amendment, and leave us totally defenseless and at their mercy. If we acquiesce to this affront on our most basic liberty, it will be the end of our country.

"The most effective way to destroy people is to deny and obliterate their own understanding of their history."

George Orwell

It is little known that when one searches for information on the Internet, perhaps the information is actually disinformation put there on purpose by an Israeli being paid to do just that. This is done to create and shape the reality with a positive spin for Israel and a negative spin for anything that could be considered anti-Israel. They do this all the time at Wikipedia with constant editing. It is also done in the comments sections of almost everything showing the true horrors of the supremacist Israeli regime.

The Jews have many ways in which to deceive the gullible Gentiles. Rewriting and retelling history through their monopolies of every major media is the major way to form a consensus that shows the Jews in a good light or the victim. This has been done relentlessly, especially over the last one hundred or so years. The rewriting of the Holy Bible, know as the Scofield Reference Bible is a prime example of how this is done. This has created tens of millions of Christian-Zionists who worship Israel.

"The Jews have not the ability which is necessary for the founding of a civilization, for in them there is not, and never has been, that spirit of idealism which is an absolutely necessary element in the higher development of mankind.

Therefore, the Jewish intellect will never be constructive, but always destructive."

Adolf Hitler

The Jews murdered General George S. Patton. Why? He finally figured out that they must have been the perpetrators behind starting World War II; and he was about to go public to the American people and the world with this groundbreaking information.

On October 22, 1945 General George S. Patton wrote a long letter to Major General James G. Harbord, who was back in the United States. In this letter Patton bitterly condemned the Morgenthau plan and Eisenhower's spineless behavior in the face of Jewish demands. "I have been just as furious as you at the compilation of lies which the communist and Semitic elements of our government have leveled against me and practically every other commander. In my opinion it is a deliberate attempt to alienate the soldier vote from the commanders, because the communists know that soldiers are not communistic, and they fear what eleven million votes (of veterans) would do. It is my present thought . . . that when I finish this job, which will be around the first of the year, I shall resign, not retire, because if I retire I will still have a gag in my mouth . . . I should not start a limited counterattack, which would be contrary to my military theories, but should wait until I can start an all out offensive . . . "

"Evidently the virus started by Morgenthau and Baruch of a Semitic revenge against all Germans is still working. Harrison (a U.S. State Department official) and his associates indicate that they feel German civilians should be removed from houses for the purpose of housing Displaced Persons. There are two errors in this assumption.

First, when we remove an individual German we punish an individual German, while the punishment is -- not intended for the individual but for the race. Furthermore, it is against my Anglo-Saxon conscience to remove a person from a house, which is a punishment, without due process of law. In the second place,

Harrison and his ilk believe that the Displaced Person is a human being, which he is not, and this applies particularly to the Jews, who are lower than animals."

General George Patton's diary entry for September 17, 1945

One last piece of important history you should know about the self called "Chosen People". When Abraham Lincoln created the usury free Greenbacks instead of the 24% to 36% usury the Wall Street Jewish bankers wanted to charge, he was assassinated on April 14, 1865, which was Good Friday. On June 4, 1963, President John F. Kennedy created usury free United States Treasury Notes with his Executive Order 11110, and he was assassinated on November 22, 1963. The Kennedy assassination was 53 years to the day (November 22, 1910) of the meeting on Jekyll Island that created the Federal Reserve Bank. Jesus began his three and a half year ministry in Jerusalem by driving the corrupt Jew money changers from the Temple. He also ended His ministry by attacking the same group of thieves. It was the only time that Jesus ever used force. Within a short while, Jesus Christ was nailed to a cross. So, when Adolf Hitler took the banks back from the Jews, and created his own usury free German Reichsmarks, of course they declared war on him. The Jews very quickly also created a worldwide boycott of all German goods. The goal was really quite simple; Germany had to be completely and utterly annihilated, or they would set a usury free economic model for the entire world to see and then emulate. This was the real reason for World War II.

If that mischievous financial policy which had its origin in the North American Republic during the late war in that country, should become indurated down to a fixture, then that Government will furnish its own money without cost. It will pay off its debts and be without debt. It will become prosperous beyond precedent in the history of the civilized governments of the world.

The brains and wealth of all countries will go to North America. That government must be destroyed or it will destroy every monarchy on the globe.

A 1865 London Times editorial directed against Lincoln's usury free Greenbacks

"We were not foolish enough to try to make a currency [backed by] gold of which we had none, but for every Mark that was issued we required the equivalent of a mark's worth of work done or goods produced. . . .We laugh at the time our national financiers held the view that the value of a currency is regulated by the gold and securities lying in the vaults of a state bank."

Adolf Hitler

"There's a plot in this county to enslave every man, woman and child.

Before I leave this high and noble office, I intend to expose this plot."

John Fitzgerald Kennedy

The following essay was published in Der Angriff, January 21, 1929. Joseph Goebbels founded the newspaper in Berlin in 1927 shortly after taking over as the party's leader.

The Jew

by Dr. Joseph Goebbels

Everything is discussed openly in Germany, and every German claims the right to have an opinion on any and all questions. One is Catholic, the other Protestant, one an employee, the other an employer, a capitalist, a socialist, a democrat, an aristocrat. There is nothing dishonorable about choosing one side or the other of a question. Discussions happen in public, and where matters are unclear or confused one settles it by argument and counter argument. But there is one problem that is not discussed publicly, one that it is delicate even to mention: the Jewish question. It is taboo in our republic.

The Jew is immunized against all dangers: one may call him a scoundrel, parasite, swindler, profiteer, it all runs off him like water off a raincoat. But call him a Jew and you will be astonished at how he recoils, how injured he is, how he suddenly shrinks back: "I've been found out."

One cannot defend himself against the Jew. He attacks with lightning speed from his position of safety and uses his abilities to crush any attempt at defense.

Quickly he turns the attacker's charges back on him, and the attacker becomes the liar, the troublemaker, the terrorist. Nothing could be more mistaken than to defend oneself. That is just what the Jew wants. He can invent a new lie every day for the enemy to respond to, and the result is that the enemy spends so much time defending himself that he has no time to do what the Jew really fears: to attack. The accused has become the accuser, and loudly he shoves the accuser into the dock. So it always was in the past when a person or a movement fought the Jew. That is what would happen to us as well were we not fully aware of his nature, and if we lacked the courage to draw the following radical conclusions:

1. One cannot fight the Jew by positive means. He is a negative, and this negative must be erased from the German system, or he will forever corrupt it.
2. One cannot discuss the Jewish question with the Jews. One can hardly prove to a person that one has the duty to render him harmless.
3. One cannot allow the Jew the same means one would give an honest opponent, for he is no honorable opponent. He will use generosity and nobility only to trap his enemy.
4. The Jew has nothing to say about German questions. He is a foreigner, an alien, who only enjoys the rights of a guest, rights that he always abuses.
5. The so-called religious morality of the Jews is no morality at all, rather an encouragement to betrayal. Therefore, they have no claim to protection from the state.
6. The Jew is not smarter than we are, rather only cleverer and craftier. His system cannot be defeated economically — he follows entirely different moral principles than we do. It can only be broken through political means.
7. A Jew cannot insult a German. Jewish slanders are but badges of honor for a German opponent of the Jews.
8. The more a German person or a German movement opposes the Jew, the more valuable it is. If someone is attacked by the Jews, that is a sure sign of his virtue. He who is not persecuted by the Jews, or who is praised by them, is useless and dangerous.

9. The Jew evaluates German questions from the Jewish standpoint. As a result, the opposite of what he says must be true.

10. One must either affirm or reject anti-Semitism. He who defends the Jews harms his own people. One can only be a Jewish lackey or a Jewish opponent. Opposing the Jews is a matter of personal hygiene.

These principles give the anti-Jewish movement a chance of success. Only such a movement will be taken seriously by the Jews, only such a movement will be feared by them.

The fact that he shouts and complains about such a movement therefore is only a sign that it is right. We are therefore delighted that we are constantly attacked in the Jewish gazettes. They may shout about terror. We answer with Mussolini's familiar words: "Terror? Never! It is social hygiene. We take these individuals out of circulation just as a doctor does to a bacterium."

Goebbels' Place in History

by Mark Weber

http://www.ihr.org/jhr/v15/v15n1p18_Weber.html

If we keep letting the usury capitalistic parasitical system of the Jews ruling over us, which is relentlessly degrading our beautiful Mother Earth, we will very soon cross our irreversible Omega point and pay the ultimate price, the extinction of Homo Sapiens. This is the reason I have written Holocaust Revisionism. The Jews' gigantic Holocaust lie, which is now morphed into unquestionable religious dogma, is in reality their weakest link. Once you can see the truth on this issue, their impenetrable shield will be taken away and humanity can begin to live in harmony with each other and nature. Voltaire understood this threat Jews posed to the survival of humanity 242 years ago.

**"You have surpassed all nations in impertinent fables,
in bad conduct and in barbarism.**

You deserve to be punished, for this is your destiny...

**They are, all of them, born with raging fanaticism in their hearts,
just as the Bretons and the Germans are born with blond hair.**

**I would not be in the least bit surprised if these people
would not some day become deadly to the human race."**

**Voltaire
(1771)**

50 Sections Of Evidence

"If the Marxist teaching were to be accepted as the foundation of the life of the universe, it would lead to the disappearance of all order that is conceivable to the human mind. And thus the adoption of such a law would provoke chaos in the structure of the greatest organism that we know, with the result that the inhabitants of this earthly planet would finally disappear. Should the Jew, with the aid of his Marxist creed, triumph over the people of this world, his Crown will be the funeral wreath of mankind, and this planet will once again follow its orbit through ether, without any human life on its surface, as it did millions of years ago. And so I believe to-day that my conduct is in accordance with the will of the Almighty Creator. In standing guard against the Jew I am defending the handiwork of the Lord."

Adolf Hitler

Hitler Discovers Holocaust Denial And Revisionism

<https://www.youtube.com/watch?v=mOQO0DQkJ0E>

1) Today There Is No Free Speech Or Debate Allowed On The So Called Holocaust In 17 Countries And The Jews Are Desperately Trying To Get Similar Laws In Every Other Country Under The Thinly Veiled Cunning Pretext Of Hate Speech - The Brave People Who Have Published, Written Or Spoken Out Have Been Ostracized, Vilified, Reticulated, Set Up, Threatened, Lost Their Jobs, Bankrupted, Beaten Up, Fire Bombed, Imprisoned And Killed Just For Telling The Truth On This Historical Subject

The only subject in the world you are not allowed to debate is the 6,000,000 Jew figure. Questioning the magic six million figure is now a "thought crime" which can get you sent to prison for several years in the following 17 countries: Austria, Belgium, Canada, Czech Republic, France, Germany, Hungary, Israel, Liechtenstein, Lithuania, Luxembourg, Netherlands, Poland, Portugal, Romania, Slovakia, and Switzerland. The fact that you can have free speech on any subject except the Holocaust should send up the biggest red flag for every caring and thinking person. The fact that you can go to jail for years about an historical subject should send up the biggest red flag for every caring and thinking person. The fact that people who try to debate, publish, write and talk about the Holocaust are physically assaulted and even killed should send up the biggest red flag for every caring and thinking person. In reality the Jews are blatantly showing us their weak indefensible hand with these inhuman actions. All of these huge red flags together should be sufficient to make every caring and thinking person realize something is terribly, terribly wrong with their so called Holocaust story.

The Universal Declaration Of Human Rights - Article 19

"Everyone has the right to freedom of opinion and expression; this right includes freedom to hold opinions without interference and to seek, receive and impart information and ideas through any media and regardless of frontiers."

Adopted by the United Nations General Assembly on December 10, 1948, in Paris.

Here is a very telling fact about how well Germany took care of people in its camps. There was a 98.8% survival rate for the American prisoners of war in German camps. The stark differences in reported death rates for U.S. soldiers and civilians in German vs. Japanese camps dramatize the nature of the experience of Japan's camps for POWs and internees. Dr. Stenger's figures list 93,941 U.S. military personnel captured and interned by Germany, of whom 1,121 died (a little over a 1% death rate), and 27,465 U.S. military personnel captured and interned by Japan, of whom 11,107 died (more than a 40% death rate) The Center for Internee Rights (CFIR), an internee advocacy group, uses the same figures as Dr. Stenger for German POWs and POW deaths.

4) Auschwitz Death Plaque Changed From 4,000,000 To 1,500,000

It is interesting how this plaque was quietly changed from 4,000,000 deaths to 1,500,000 deaths yet the number of supposed Holocaust deaths has remained at the same sacrosanct 6,000,000 figure. One would of course simply subtract the 1,500,000 from the 4,000,000 and get 2,500,000 less deaths. Then one would minus the 2,500,000 from the 6,000,000 and get 3,500,000 deaths. But no, this new number is not allowed. This basic mathematical discrepancy shows just how preposterous the Holocaust narrative has become. If you point this out in any one of those 17 countries with Holocaust laws, you will go to jail for a few years for being a "Holocaust denier" .

Jew Math (Quick Proof That The Holocaust Story Is A Lie)

<http://guardian.150m.com/holocaust/jew-math.htm>

Jewish prophecies in their Torah require that 6 million Jews must "vanish". "You shall return minus 6 million." Tom Segev, an Israeli historian, declared that the "6 million" is an attempt to transform the Holocaust story into state religion. The six million, according to prophecy, had to disappear in "burning ovens", which the judicial version of Holocaust now authenticates. As a matter of fact, Robert B. Goldmann writes: ". . . without the Holocaust, there would be no Jewish State."

"The Jewish people as a whole will be its own Messiah. It will attain world dominion by the dissolution of other races, by the abolition of frontiers, the annihilation of monarchy, and by the establishment of a world republic in which the Jews will everywhere exercise the privilege of citizenship. In this new world order the Children of Israel will furnish all the leaders without encountering opposition. The Governments of the different peoples forming the world republic will fall without difficulty into the hands of the Jews. It will then be possible for the Jewish rulers to abolish private property, and everywhere to make use of the resources of the state. Thus will the promise of the Talmud be fulfilled, in which is said that when the Messianic time is come the Jews will have all the property of the whole world in their hands."

"The conscious and intelligent manipulation of the organized habits and opinions of the masses is an important element in democratic society. Those who manipulate this unseen mechanism of society constitute an invisible government which is the true ruling power of our country. ...We are governed, our minds are molded, our tastes formed, our ideas suggested, largely by men we have never heard of. This is a logical result of the way in which our democratic society is organized. Vast numbers of human beings must cooperate in this manner if they are to live together as a smoothly functioning society. ...In almost every act of our daily lives, whether in the sphere of politics or business, in our social conduct or our ethical thinking, we are dominated by the relatively small number of persons...who understand the mental processes and social patterns of the masses. It is they who pull the wires which control the public mind."

12) Jewish Population From 1938 To 1949

The World Almanac for 1940 gives the world's Jewish population as 15,319,359.

The World Almanac for 1949 puts the number of Jews in the world at 15,713,638.

Even the most favorable numbers for the Jews (probably made up because they don't account for all the emigration of the Jews to the Soviet Union, the United States, Palestine and elsewhere throughout the world) shows the difference between the 1938 and 1948 figures is minus 4,481,491 Jews. This is still a million and a half less than their sacred 6,000,000 death figure. This population figure coupled with the millions of "supposed survivors" shows the ludicrousness of the Holocaust fable.

The Controversy About The Extermination Of The Jews

An Introduction

by Germar Rudolf

<http://codoh.com/library/document/927>

"We are not denying and are not afraid to confess that this war is our war and that it is waged for the liberation of Jewry... Stronger than all fronts together is our front, that of Jewry. We are not only giving this war our financial support on which the entire war production is based, we are not only providing our full propaganda power which is the moral energy that keeps this war going. The guarantee of victory is predominantly based on weakening the enemy forces, on destroying them in their own country, within the resistance. And we are the Trojan horses in the enemy's fortress. Thousands of Jews living in Europe constitute the principal factor in the destruction of our enemy. There, our front is a fact and the most valuable aid for victory."

16) The Final Solution - The Madagascar Resettlement Plan

After World War II was finished the allied powers seized a large amount of German documents that dealt with their policy that pertained to the Jews. Some of this information had to do with what was called, the final solution. There was not one piece that incriminated the Germans concerning an extermination program. Contrary to what has been widely disseminated, all of these final solution documents were about an emigration policy for the Jews. They were trying to deport the Jews, not kill them. Once again it is the Jews themselves turning this fact on its head by relentless promotion of the final solution as meaning their extinguishing by the hands of the Germans.

Dr. Robert Faurisson testified that the term "final solution" for the Germans meant a territorial final solution of the Jewish problem: "...for any problem you are trying to find a solution. It's the final solution...for the German, of the Jewish problem. If you say final solution of - I don't know - the Palestinian problem, it doesn't mean that you are trying to kill the Palestinians, or the final solution of the unemployment doesn't mean that you are going to kill the unemployed. So, it was a territorial [solution]. They wanted a solution, a finding of a territory for those people because for 2,000 years, at least, there are no territory there, so a territory was to be found. And 'final solution' [had] absolutely not the meaning of homicidal." (29-8025, 8026) To the Germans, said Faurisson, "final solution" meant that "they wanted to solve what they called the Jewish problem by emigration, if possible; by evacuation or deportation, if necessary."

20) The Leuchter Report, The Rudolf Report And The Lüftl Report

Their Chemical Analysis Proves Gas Was Not Used In The So Called Gas Chambers, And Physically There Was No Way The Air Raid Shelters Could Have Been Used As Gas Chambers

The Leuchter Report

Fred A. Leuchter is America's leading specialist on the design and fabrication of execution equipment, including homicidal gas chambers. In 1988, Leuchter scraped samples from the alleged gas chamber walls in Auschwitz, Birkenau and Lublin. Cyanide residue would be clearly evident on all these walls if gassings did occur. To his astonishment, he found no significant cyanide traces in any one of these rooms.

21) No Chimneys To Vent Or Holes To Drop In The Supposed Deadly Gas

Air Photo Evidence

In 1944 Allied planes repeatedly bombed the large synthetic rubber and chemical plant 3 miles (5 kilometers) from Auschwitz, but did not bomb Auschwitz camp-buildings or surrounding rail-bridges or rail-lines because British and American military studies, compiled from spy reports and air photos, concluded inmates were not being murdered or abused in the visible camps.

Cremation ovens were very small with only 18' doors and required from many hours to burn each body using a large amount of coal. Cremation was used in the camps for those who passed away in order to prevent epidemics. No large supplies of coal were ever stored at the camps for cremations. A very interesting note appears only in the German edition of William L. Shirer's

book, "The Rise and Fall of the Third Reich." It seems the Didler-Werke Company, which built the crematory ovens, sued Shirer who previously wrote that millions of people were gassed and then burned in this company's ovens. In an out-of-court settlement of the suit Shirer agreed to add the following footnote on page 972 of the German edition: "The Didler-Werke have raised objection to the name of their firm appearing in the chapter concerning the extermination camps. Dr. S. Trastel, a professor of engineering in a statement of August 1961 established that the measurements are those which are standard for a crematory oven of not very modern design intended for small cemeteries and would be unsuitable for mass burning." Why is this deleted from the English edition?

**"But the Jews are so hardened that they listen to nothing;
though overcome by testimonies they yield not an inch.
It is a pernicious race, oppressing all men by their usury and rapine.
If they give a prince or magistrate a thousand florins,
they extort twenty thousand from the subjects in payment.
We must ever keep on guard against them."
Reverend Martin Luther
(assassinated by the Jews on February 18, 1546)**

25) No Bodily Remains Were Ever Found In Or Around Any Of The German Camps

As Arthur R. Butz states: "The claim of the legend is that there were no technical means provided for the specific task of extermination, and that means originally provided for other purposes did double duty in improvised arrangements. Thus the Jews were allegedly gassed with the pesticide Zyklon, and their corpses disappeared into the crematoria along with the deaths

from "ordinary" causes (the ashes or other remains of millions of victims never having been found)."

29) Other German Camps And The Liberation Of The Camps

Buchenwald: Legend And Reality

The first Commandant, Karl Koch, ran Buchenwald from 1937 until early 1942, when he was transferred to Majdanek. He proved a notoriously brutal and corrupt administrator who enriched himself with valuables stolen from numerous inmates, whom he then had killed to cover up his thefts. The camp physician, Dr. Waldemar Hoven, murdered many inmates in cooperation with Koch and the Communist underground camp organization. Koch was eventually charged by an SS court with murder and corruption, found guilty and executed.

"An 'anti-semite' in actual usage, is less often a man who hates Jews than a man certain Jews hate. The word expresses the emotional explosion that occurs in people who simply can't bear critical discourse about a sacred topic, and who experience criticism as profanation and blasphemy. The term 'anti-semitism' doesn't stand for any intelligible concept. It belongs not to the world of rational discourse, but to the realm of imprecations and maledictions and ritual ostracisms."
Joseph Sobran

30) Now There Were No Gas Chambers In Germany, Austria Or Alsace Lorraine Camps

The allied propaganda stating that jews were made into shrunken heads, soap and lampshade has been discredited. Historians and survivors have stated that there were gas chambers in Germany, Austria or Alsace Lorraine. Every historian has now capitulated that there weren't any gas chambers in Germany, Austria or Alsace Lorraine. This backtracking on so many important issues regarding the supposed Holocaust by both survivors and historians is only because of the tireless and diligent research through the years by brave Holocaust revisionists finding the real history.

31) The Nuremberg Trials

As Arthur R. Butz states: "What we are offered in evidence was gathered after the war, in trials. The evidence is almost all oral testimony and "confessions". Without the evidence of these trials there would be no significant evidence of "extermination". One must pause and ponder this carefully. Were trials needed to determine that the Battle of Waterloo happened? The bombings of Hamburg, Dresden, Hiroshima and Nagasaki? The slaughter in Cambodia? Yet this three year program, of continental scope, claiming millions of victims, requires trials to argue its reality. I am not arguing that the trials were illegal or unfair; I am arguing that such historical logic as the legend rests on must not be countenanced. Such events cannot happen without generating commensurate and contemporaneous evidence for their reality, just as a great forest fire cannot take place without producing smoke. One may as well believe that New York City was burned down, if confessions to the deed can be produced."

75% Of The Staff At The Nuremberg Trial Were Jews

"You know how I have despised anti-Semitism. You know how strongly I feel toward those who preach intolerance of any kind. With that knowledge - you will understand when I tell you that this staff is about seventy-five percent Jewish. Now my point is that the Jews should stay away from this trial - for their own sake. For - mark this well - the charge 'a war for the Jews' is still being made and in the post-war years it will be made again and again. The too large percentage of Jewish men and women here will be cited as proof of this charge. Sometimes it seems that the Jews will never learn about these things. They seem intent on bringing new difficulties down on their own heads. I do not like to write about this matter - it is distasteful to me - but I am disturbed about it. They are pushing and crowding and competing with each other and with everyone else."

33) Did The Extremely Efficient Germans Round Up, Transport, Tattoo, Shave Heads, Delouse, Then Murder Jews By Gassing, Then Cremate, Then Bury Their Remains?

Of course this just doesn't make any logical sense. It would have been a monumental waste of time and resources in the middle of a war. If the Germans wanted the Jews dead, they would have rounded them up, dug mass graves and machine-gunned them. What the Germans did was round up enemies of the state and put them into work camps so they could produce the much needed supplies for their war effort.

Another anomaly is this: Why did the Germany use scarce rail transport to ship its victims from Bucharest, Posen and Budapest, for example, all the way to Auschwitz for gassing, when near Bucharest, Posen and Budapest there already stood enormous fumigation buildings, huge versions of the clothing-decontamination units in use at all the camps and military installations? These buildings could fumigate entire trains that had passed through typhus-infested regions; better candidates for gas chambers would be hard to imagine. Once again Germany would never be this inefficient.

"Besides, you also have many Jews living in the country, who do much harm . . . You should know the Jews blaspheme and violate the name of our Savior day for day... for that reason you,

Milords and men of authority, should not tolerate but expel them. They are our public enemies and incessantly blaspheme our Lord Jesus Christ, they call our Blessed Virgin Mary a harlot and her Holy Son a bastard and to us they give the epithet of changelings and abortions. Therefore deal with them harshly as they do nothing but excruciatingly blaspheme our Lord Jesus Christ, trying to rob us of our lives, our health, our honor and belongings."

"I've checked out the six volumes of Churchill's Second World War and the statement is quite correct: not a single mention of Nazi 'gas chambers,' a 'genocide' of the Jews, or of 'six million' Jewish victims of the war. Eisenhower's Crusade in Europe is a book of 559 pages; Churchill's Second World War totals 4,448 pages; and De Gaulle's three-volume Mémoires de guerre is 2,054 pages. In this mass of writing, which altogether totals 7,061 pages (not including the introductory parts), published from 1948 to 1959, one will find no mention either of Nazi 'gas chambers,' a 'genocide' of the Jews, or of 'six million' Jewish victims of the war."

37) On January 27, 1945 When The USSR Overruns Auschwitz, Hitler Is Told In A Meeting - He Is Not Alarmed And Goes Right On To The Next Topic - There Was Never Any Reference To Mass Killing At Any Of The German Camps At The Headquarters

Index To Papers Of And About Dr. Karl Thöt, Adolf Hitler - Stenographer

These fragments do however record vital evidence - e.g. on January 27, 1945 when Generaloberst Heinz Guderian informs him [Adolf Hitler] that the Red Army has just overrun Auschwitz, Hitler's only reply is just: okay, "Jawohl" -- he seems to have no idea that Auschwitz

was anything other than a slave-labour camp built for the nearby synthetic chemicals plant. Informed by the general in these words, "The attacks along a continuous line from the Tichau area to Auschwitz have been deflected; however Auschwitz itself was lost," Hitler finally interrupts to ask only, "Where is the main coal area?" All the stenographers, closely questioned by the Americans, stated quite bluntly that there was never any reference at all at the Führer-HQ to what is now, since about 1972, called the Holocaust.

<http://www.fpp.co.uk/Hitler/stenographers/Thoet/index.html>

"The Jew is the Great Master of Lies. Falsehood and duplicity are the weapons with which he wages war. Every calumny and falsehood published by the Jews are tokens of honour which can be worn by our comrades. He whom they decry most is nearest to our hearts and he whom they mortally hate is our best friend. If a comrade of ours opens a Jew newspaper in the morning – and does not find himself vilified therein, then he has spent the previous day to no account. For, had he achieved something, he would have been threatened, slandered, derided and abused."

Adolf Hitler

38) Just Before The January 27, 1945 Soviet Overtake Of Auschwitz Most Jews Choose To Retreat With The Germans Instead Of Staying To Be Liberated By The Soviets - The First Reported Article Mentions That The Jews Were Murdered By Electric Conveyor Belt Of Which Hundreds Of Persons Could Be Electrocuted Simultaneously

Was Auschwitz Liberated Or Merely Occupied By The Red Army?

When the Russians were about to overrun Auschwitz in January 1945, both Elie and his father "chose" to go west with the retreating 'Nazis' and SS rather than be "liberated" by America's greatest ally. They could have told the whole world about Auschwitz within days -- but, both Elie and his father as well as countless thousands of other Jews chose instead to trek west with the 'Nazis' on foot at night in the middle of one of the coldest winters and continue working for the defense of the Reich thereafter. In effect, they chose to collaborate.

First Soviet Report On Auschwitz, Mass-Electrocutions

The Red Army Captured The Auschwitz Camps On January 27, 1945

On February 2, 1945, This Article Appeared In The Youngstown Vindicator Of Ohio

Moscow, February 2 - The semi-official newspaper Pravda, reported today that the Red Army had saved several thousand tortured, emaciated inmates of the Germans' greatest "murder factory" at Oswiecim in southwest Poland." All were ghost-like apparitions, blown to the ground by the slightest breeze, almost ageless and sexless." Pravda's correspondent, Boris Polevoy, reported from Oswiecim. "They can tell the whole story of this gigantic death plant, equipped with the most modern Nazi technology of torture and extermination." Fragmentary reports indicated that at least 1,500,000 persons were slaughtered at Oswiecim, Polevoy said. During 1941, 1942 and early 1943, he said, five trains arrived daily at Oswiecim with Russians, Poles, Jews, Czechs, French and Yugoslavs jammed in sealed cars. The trains always left empty. "The first shock of Oswiecim is its enormous size," Polevoy said. "Dozens of square miles are

saturated with human blood and literally blanketed with human ashes. This was a great industry with many wings and sections, each specializing in a certain function." "There were offices for sorting the victims each according to his age, strength and ability to perform labor before execution. The main department was the 'smelting furnace' where, after elaborate torture, victims were burned." Dissatisfied with early methods of execution by which victims were machine-gunned in trenches which they themselves had dug, the Germans "increased production" by mechanizing the murder plant, Polevoy said. Perhaps the most elaborate apparatus was an electric conveyor belt of which hundreds of persons could be electrocuted simultaneously, then moved on the belt directly into furnaces. "They were burned almost instantly, producing fertilizer for near-by cabbage fields," Polevoy said.

The Holocaust Hoax Exposed

The Holocaust Hoax Exposed dissects every element of what has become the 20th century's most grotesque conspiracy. Covered in jarring detail is the mythology surrounding "concentration camps," the truth about Zyklon B, Anne Frank's fable, how the absurd "six million" figure has become a laughingstock, and the betrayal by maniacal Zionists of their own Jewish people that led to their deaths (via starvation and disease) after Allied bombings cutoff supply lines to German work camps.

Nothing that you will do will meet our needs and demands.
We will for ever destroy because we need a world of our own,
a God-world, which it is not in your nature to build."
Maurice Samuels**

42) Holocaust Religion

This Daily Reminder Of The Holocaust Is Making Many People Begin To Question It

It is very telling that the United States public schools inculcate our children with the Holocaust. Most are made to read the book, Night by Elie Wiesel. This book is so full of untruths and outright lies it is disgusting that with are subjugating our children to this garbage. The Jews have systematically brainwashed almost everyone with their millions of articles, thousands of books and hundreds of films about their supposed Holocaust of six million. On top of this constant barrage of media hype everywhere you turn, they also have dozens of Holocaust museums throughout our country that we are partially paying for with our tax dollars. This unrelenting overkill is beginning to backfire, for people are wondering why is this Holocaust story constantly being shoved down their throats. Once again the hubris Jews have overplayed their hand.

"Our race (the Jews) is the Master Race. We are divine gods on this planet. We are as different from the inferior races as they are from insects. In fact, compared to our race, other races are beasts and animals, cattle at best. Other races are considered as human excrement. Our destiny is to rule over the inferior races. Our earthly kingdom will be ruled by our leader with a rod of iron. The masses will lick our feet and serve us as our slaves."

44) The Holocaust Is Used As An Elaborate Shield To Protect The Jews And Israel

Without the Holocaust story as a protective shield Israel would be seen as the racist country it is. It would not have been able to steal Palestine and create Israel. It would not have been able to ethnically cleanse 5 million Palestinians from their homes. It would not have been able to start wars to steal others countries land for water and resources. It would not have been able to gain the support of the United States to veto United Nations resolutions. It would not have been able to bully the rest of humanity into believing in its victim hood. It would not have been able to kill Palestinians with impunity. It would not have been able to kill those nine courageous humanitarians on board the Freedom Flotilla. It would not have been able to set up a blockade of Palestine of essential goods and trading. It would not have been able to control all the central banks on Earth and therefore every major corporation and to install their puppet governments. It would not have been able for Israel to exist as a criminal state.

"I found it extremely difficult myself to be a match for the dialectical perfidy of that race. How futile it was to try to win over such people with argument, seeing that their very mouths distorted the truth, disowning the very words they had just uttered and adopting them again a few moments later to serve their own ends in the argument."

Adolf Hitler

45) The German Holocaust

The following episode is little known because it has been well scrubbed from history. When World War II ended, Germany was in total ruin. But it was to get even worse. Within a few years 15,000,000+ Germans and ethnic German civilians were cleansed, with 9,000,000+ murdered by starvation and disease. This was deliberate allied policy. It was the evil Jew Morgenthau plan of merciless retribution in action for all to see. This behavior is exactly what Adolf Hitler warned about in the autumn of 1936 when he wrote the Four-Year Plan Memorandum "... but to the final destruction, indeed the annihilation of the German people ..."

Three painfully yet wonderful books on this are: [Gruesome Harvest](#), [Crimes and Mercies](#) and [Hellstorm: The Death of Nazi Germany, 1944-1947](#). The poor unfortunate German soldiers, who had been captured, were being killed (by starvation, lack of medicine and the elements) in concentration camps. Up to 1,700,000 German prisoners of war died while in allied (mostly United States and French) hands. The Supreme Allied Commander, General Dwight D. Eisenhower, supervised this. The Jew Eisenhower even prohibited the German people from sharing their merger rations with detained German soldiers. How did Eisenhower who was General Douglas MacArthur's secretary, become the Supreme Allied Commander? Especially when MacArthur felt he was incompetent. How within 45 months did Eisenhower bypass hundreds of officers with a higher rank? Here are his unbelievable military promotions, done with the help from the warmongering Jew Bernard Baruch: March 11, 1941 - Colonel, October 3, 1941 - Brigadier General (1 Star), March 28, 1942 - Major General (2 Stars), July 9, 1942 - Lieutenant General (3 Stars), February 11, 1943 - General (4 Stars) and December 20, 1944 -

General of the Army (5 Stars). Eisenhower was a 1915 West Point graduate, while there he was known as, The Terrible Swedish Jew. Ike sure did live up to his first nickname.

Germany Must Perish!
by Theodore N. Kaufman
<http://www.ihr.org/books/kaufman/perish.html>

"We have it sewed up. We have infiltrated your churches completely and we now control the school system in the United States. It is a reality that we have complete control of organized Christianity. Almost anywhere -completely. It is a marvel that the American people do not rise up and drive every Jew out of this country... We Jews continue to be amazed with the ease by which Christian Americans have fallen into our hands. While the naive Americans wait for Khrushchev to bury them, we have taught them to submit to our every demand... It's a very simple matter -- no one in the last three decades has achieved any political power without Jewish approval. Americans have not had a presidential choice since 1932. Roosevelt was our man; every president since Roosevelt has been our man..."
Menachem Begin

46) Jew Hate Groups

B'nai B'rith ("Blood Of The Chosen") Started In 1843
Zionist Organization Of America Started In 1897
B'nai B'rith Spin Off - Anti-Defamation League (ADL) Started In 1913
Jewish Defense League (JDL) Started in 1968
Southern Poverty Law Center (SPLC) Started in 1971
The Simon Wiesenthal Center Started in 1997

These hate groups were formed to give cover to the all of the evil machinations that the Jews do, and to viciously attack anyone who dares to criticize the Jews for inflicting this evil on others (the best defense is a great offense). it is interesting how the Jews created the Federal Reserve to control (steal) our banking system (through usury and fractional reserve practices) and the Anti-Defamation League both in 1913.

America's Most Powerful Racist Hate Group
The Anti-Defamation League is the longest running and most powerful hate group in the United States with 28 offices domestically and 3 offices abroad. They bring in nearly \$60 million a year

to combat free speech and the right of minorities to defend themselves from bigotry (including Black Muslims, Arabs, and Euro-Americans).

"Although I live in joy and peace, I know that America must be restored to Christ. I would like to free her from her bondage to Satan, in the metaphysical sphere, and from her bondage to the Jews, in the biological sphere. Although I have been freed from suffering through knowing Christ, I know what suffering is doing to my people, who have been robbed of everything, and who have been converted into mindless robots who mechanically perform tasks according to instructions implanted in them by a Jewish programming, and who respond to every question with a Jewish answer. I resent the fact that my nation and my people have been converted into a country of Pavlov-conditioned dogs, and I am resolved to see them become men once more.

Because they are cut off from the creative life, because they are cut off from the life of their nation by the Jewish parasite, their lives are empty and pointless."

The Ugly Truth

<https://theuglytruth.wordpress.com>

"But it remained for the Jews, with their unqualified capacity for falsehood, and their fighting comrades, the Marxists, to impute responsibility for the downfall [of Germany in WWI] precisely to the man who alone had shown a superhuman will and energy in his effort to prevent the catastrophe which he had foreseen and to save the nation from that hour of complete overthrow and shame. By placing responsibility for the loss of the world war on the shoulders of Ludendorff they took away the weapon of moral right from the only adversary dangerous enough to be likely to succeed in bringing the betrayers of the Fatherland to Justice. All this was inspired by the principle -- which is quite true in itself -- that in the big lie there is always a certain force of credibility; because the broad masses of a nation are always more easily corrupted in the deeper strata of their emotional nature than consciously or voluntarily, and thus in the primitive simplicity of their minds they more readily fall victims to the big lie than the small lie, since they themselves often tell small lies in little matters but would be ashamed to resort to large-scale falsehoods. It would never come into their heads to fabricate colossal untruths, and they would not believe that others could have the impudence to distort the truth so infamously. Even though the facts which prove this to be so may be brought clearly to their minds, they will still doubt and waver and will continue to think that there may be some other explanation. For the grossly impudent lie always leaves traces behind it, even after it has been nailed down, a fact which is known to all expert liars in this world and to all who conspire together in the art of lying. These people know only too well how to use falsehood for the basest purposes. ... From time immemorial, however, the Jews have known better than any others how falsehood and calumny can be exploited. Is not their very existence founded on one great lie, namely, that they are a religious community, whereas in reality they are a race? And what a race! One of the greatest thinkers that mankind has produced has branded the Jews for all time with a statement which is profoundly and exactly true. He (Schopenhauer) called the Jew "The

Great Master of Lies." Those who do not realize the truth of that statement, or do not wish to believe it, will never be able to lend a hand in helping Truth to prevail."

Adolf Hitler

Solutions For The Survival Of Humanity (The Jewish Problem)

Because of the freedom of the Internet, I have noticed over the last few years that an awakening of truth is occurring about the supposed Holocaust. I have also observed a growing allegiance of people from all over the world that have finally recognized all of the evil machinations the Jews have done throughout history and are still doing today. I believe that this is now an unstoppable knowledge that will quite soon reach a critical mass and the blowback for the Jewish people will be utterly catastrophic. The mob mentality will want the ultimate revenge; they will want to slaughter all the Jews in retribution for all the pain and suffering that they have caused to others. This merciless course of action would be a tragedy of an epic proportion for all humanity.

The sixth of the ten commandments states; Thou shalt not kill. I believe in this wholeheartedly. If we kill anyone for any reason, even if we believe it to be for the most noble reasons, we lessen and actually kill a piece our ourselves. To kill another is vengeful and totally counterproductive. I say we must use love and only love and we will find the solution. With this in mind I have come up with the following humanitarian options to deal with the jewish problem, and for the very survival of our species.

1) For all of the good Jews to finally come out in overwhelming numbers and totally renounce what their fellow Jews and Israel have done and continue to do. They must also renounce the Talmud. If this happens number two will also have to be employed because of their horrendous record throughout history of cunning, deceit and lying.

Myth Of The Good Jew

<https://www.youtube.com/watch?v=spwvVyhOCRM>

2) Forever keep Jews out of banking / finance, politics, medicine, law, education, media, military, intelligence and religion. This will be done by DNA testing for all job applicants in these nine fields. Inter-marriages between Jews and anyone else will be highly discouraged (because anyone with more than 25% of Jewish DNA will not be allowed in any of the nine fields of work). There will be no more synagogues or Jewish services and the Talmud will be outlawed. If number one is not done peacefully by the good Jews, this number two will have to implemented by the use of force.

3) Build a very tall impenetrable wall around Palestine. Round up every Jew on Earth and bring them there to live. Relocate every Palestinian and pay them a more than fair compensation. Give the Jews all they will need to live by themselves. Surveillance by satellites and from atop the wall

so there will be no escaping. Anyone who is caught leaving will be sterilized and brought back. Anyone caught escaping for a second time, and their whole immediate family will be sterilized.

4) Implemented the German Madagascar Plan. Round up every Jew on Earth and bring them to Madagascar to live (Madagascar off the southeastern coast of Africa is the fourth largest island on Earth). Relocate every person on Madagascar and pay them a more than fair compensation. Give the Jews all they will need to live on this island by themselves. Surveillance by satellites so there will be no boat nor plane building or escaping. Anyone who is caught leaving will be sterilized and brought back. Anyone caught escaping for a second time, and their whole immediate family will be sterilized.

5) Perhaps there is one more way to deal with the Jewish problem. There is something known as the Maharishi Effect or The Square Root Of One Percent Solution. What this postulates is that through group meditation with enough numbers of people we can change our world for the positive. I do believe this works, and it has been documented to work in reducing crime many times. Today the square root of one percent of the population of Earth is 8,410. This would be the minimum number of people meditating to start and bring about a change. There are people already trying this, but not yet enough to create change, and they are not meditating on the root of our problem, the Jews and their evil usury. This method would be the least confrontational and is worth a try. Below are some links to learn more about this wonderful phenomena.

6) If none of the above are implemented, I fear that a real Jewish Holocaust will become inevitable. Is that what you good Jews want? If not, you had better wake up quickly.

"In keeping silent about evil, in burying it so deep within us that no sign of it appears on the surface, we are implanting it, and it will rise up a thousand fold in the future. When we neither punish nor reproach evildoers, we are not simply protecting their trivial old age, we are thereby ripping the foundations of justice from beneath new generations."

Aleksandr I. Solzhenitsyn

Finally, if anyone or any group would like to debate me on Holocaust Revisionism, I am open to the challenge. I well know this is the last thing the Jews would want to do, because the overwhelming amount of truth will be shown. I realize they would much rather slander or attack me anyway they can, but just in case they would want to be civil, I will debate anyone so long as it is videoed / filmed. Also, if anybody finds a problem(s) that needs a correction (broken link, typo etc.) concerning this article, or has a great link(s) for a section or perhaps a new section for the history about the Jews or the 50 sections on the Holocaust. I am also open to be interviewed by the media whether it is an Internet show, radio show, newspaper, magazine, television or film. Please link with and share Holocaust Revisionism with others, and if anyone wants to republish it, please do so completely and intact. For any of the above please [contact me](#).
